From the Principal

Well, I usually try to avoid stating the obvious, but our world has certainly changed in the last several weeks. For the sake of our children, I believe that it's important for us to press forward and stay positive as we work through the challenges of online learning.

We can do this together.

Our teachers and staff have been working hard to get ready for next week. April 6 – 8 will be a lot like the start of the school year. Teachers will be connecting with students, establishing routines, and communicating how this will all work. No graded work will be assigned next week.

After spring break, April 14th will be our official online start date. Teachers will be assigning work daily through their Google Classrooms. If you have any difficulty accessing the online learning platform, please email the teacher.

April is also the *Month of the Military Child*. April 13-17 will be Spirit Week. You can find more info on page 3. We are proud of our students and families for their hard work and dedication to our country.

Third quarter report cards go home on or about Thursday, April 23rd.

The final day to order your 2019-20 yearbook is Friday, April 17th. Please see the link in this newsletter to place your order.

Sincerely,

Christopher Wooleyhand, Ph.D.

Music News

North Bay Music Camp!

Every summer, AACPS hosts a music camp at North Bay, in North East, Maryland. It is a wonderful time where students from all around Anne Arundel County get together to make music for five days as well as explore some recreational adventures like a ropes course. I am honored to announce that we had four fifth graders from chorus audition and all four were accepted into the camp!

Congratulations to:
