From the Principal

December is a special month! It is such a fun time to be in an elementary school. Our students and staff are excited and there are several fun events planned. Please see our calendar on the last page for our December events.

Our annual winter concert will be held on Tuesday, December 17th at 6:00 p.m. Our students have been practicing hard and are excited to share their talents. Thanks to Ms. Walker and Mr. Lindberg for all their efforts!

Family time during the holidays is important. I hope you are able to do lots of fun family-centered activities over the break. As someone with grown children, I can tell you how precious these times are. Best wishes for a restful and joyous holiday season!

Sincerely,

Christopher Wooleyhand, Ph.D.

Family Engineering Night

The Maryland Science Center will be here on **Monday, December 9th** **from 5:00 - 7:00 p.m.** to host Family Engineering Night!

Families are invited to join us in the cafeteria to explore engineering and science activities.

Funded by the T. Rowe Price Foundation, this event is free for our PHES families!

It's sure to be fun for the whole family! Activities include interactive opportunities to study weather, physics, astronomy, and more!

We hope to see you there!
