## Pershing Hill Elementary

### From the Principal

What a year this has been! I am so proud of our students, families and staff for how well they responded to the challenges of online and hybrid instruction. I know we are all looking forward to a more “normal” 2021-2022 school year. As difficult as the past year plus has been, I think we have all learned some lasting lessons from the pandemic. These include:

- Our students are amazingly resilient
- Our parents did a great job supporting online instruction
- Our staff quickly adjusted and mastered many new tech skills

I wish all our families and staff a great, family-centered, summer!

Sincerely,

*Christopher Wooleyhand, Ph.D.*

# Counselors Corner

Happy June Pershing Hill families!! It is hard to believe we are the end of another school year! This year we learned mindfulness, making and keeping friends, social justice, different careers, practicing gratitude and have reflected on this past school year in the virtual and hybrid environment. We want to thank you all for a fabulous school year. We are looking forward to finishing the year successfully and working with you to transition our student to the next grade level! Enjoy your summer!!!
