From the Principal

Happy month of May! The school year is rolling along, and June will be here before you know it. This coming week, we will add approximately 30 more students to our hybrid classrooms. We are excited to have them here! Please exercise caution during drop-off and dismissal as our “new” students get used to their routines.

Parents, I remind and encourage you to remain vigilant in assessing the health of your child every day. Our best defense is a good offense and that means making sure our children are in good health before they enter the building. We appreciate your support with this.

I hope you are able to get outside as a family and enjoy the warmer weather this month.

Sincerely,

Christopher Wooleyhand, Ph.D.
