Dear Severna Park Families,

Summer is on the horizon and we are looking forward to a strong finish to a very unique school year! We are starting off this week with our Variety Show, which will be available for viewing in your child's classroom beginning on Friday, June 4th in the evening. On behalf of all the staff and children, I'd like to thank the PTA and specifically Ms. Pearson for helping to make this happen. In a year where many traditions did not occur, it's nice to have the Variety Show, even if we aren't all together in our building.

Congratulations to all of our 5th graders who will soon be promoted into 6th grade! This is a great accomplishment and I wish them the best of luck as they continue their journey as a middle schooler! While their 5th grade year did not go as expected, I'm confident it has prepared them for many other challenges they may come across in the future. To all our 5th grade families, you always have a home here and so does your alumni student, we hope you come back to visit as soon as it is safe to do so!

As we near the end of our year of "Riding the Wave" together, it brings me joy that so many of our children are returning for four day a week instruction. Our community has had a challenging year, yet also proved what teamwork and perseverance can accomplish. As the Principal of Severna Park Elementary School, I have had the unique privilege of seeing a birds-eye view of the immense amount of care and kindness between children, parents, and teachers. I have also been gifted with much support myself, from staff and parents who are asking me frequently, "what can I do to help." For this, I am incredibly grateful.

Thank you for the incredible support and patience. Let's finish this year strong!

# This Month's Counselor's Corner

Hello, I'm Mrs. Katie McCord, SPES School Counselor

The SPES community including parents, students, and staff, truly rode the wave this year. The Merriam-Webster Dictionary definition of "Ride the Wave" is "to experience a time when many people share a strong feeling or attitude about something at the same time." I believe we have all been through more than one strong feeling this past year. I hope your feelings are currently positive. I know I am feeling hopeful in so many ways. I am amazed at how this community has come together to support learning this year. We all learned so many ways to communicate and learn differently, and I see many resilient students. As parents, you will always have this time to refer to when your children hit a difficult or frustrating period of life. They rode the wave and after having to hang onto the surfboard at times, they are standing up, arms spread out, wind blowing in their hair, smile on their face, riding the wave into the shore.

We are continuing the character trait of integrity through the end of the year.

Thank you to parents who sent videos for students to watch and learn about their careers. The kids really love hearing about a typical day doing different careers and your favorite things about your career.

We will finish integrity and responsibility lessons for Kindergarten and Grades 2 and 4 this week and then have a reflect and transition lesson for all grades during the last two weeks of school.

There are many ways your kids can comfortably learn over the summer break. For example, you can plant a garden, do a mini book club, go on a learning adventure, visit historical places, and help your children set goals and work to achieve them.

If there are any changes in family situations, moves over the summer, or next year, please let me know. I'd love to help your children feel more confident with upcoming changes.

## Message from the outgoing Executive Committee

With the 2020-2021 school year coming to a close, we would like to thank all the SPES families for hanging in there and going on this crazy ride with us. The standard operating procedure of the PTA was flipped on its head this year. Events had to be cancelled (like the Ice Cream Social and the Spring Fair) or forced to be virtual (Back to School Night and the Variety Show). Through it all, our creative SPES families were flexible and adapted. You did the best you could with the hand you had been dealt and we are forever grateful for your creative minds and generous hearts. The incoming Executive Committee is a very talented group of parents. We know they will setup the PTA to be successful in its mission of supporting teachers & staff and enriching the educational experience of all SPES students.

Dear SPES families,

Thank you, thank you, thank you... You did it again. You exceeded our expectations. Because of your generosity, we were able to give 31 Thank You Goodie Bags to the SPES teachers containing yummy sweet treats, teas & coffee and even gift cards to local cafes & restaurants. There were so many donations that we were able to spoil the staff too with a pile of snacks in the conference room. Way to knock it out of the park SPES families!!!

## Fundraising through the Pandemic was...

PTA programming was scaled way back this year, and our fundraising initiatives followed suit. That being said, we were able to raise enough donations to cover our skeleton operating budget and put a little money in our rainy-day fund. Over the 2020-2021 school year, the PTA held several spirit days at local businesses:

- Sullivan's Cove: \$100
- Brian Boru: \$325
- Chipotle: \$183.08
- Froyo: \$117.63
- MOD Pizza: \$316.51
- Ledo's: \$586.52

**Go for THE GOAL!**  
Our Goal: \$946

In addition, Box tops for Education raised \$389.30 and Amazon Smile pulled in another \$352.59. Virtual Trivia Night not only was a super fun event, but also raised an amazing \$1012 for the PTA.

We would be remiss if we didn't mention the \$573 in Scholastic Dollars raised through \$2,293 of book fair orders. These Scholastic Dollars have already bought **61 Birthday Books** in preparation for next school year.

A huge shout out to **Park Life** for generously donating their playing fee during the Brian Boru fundraiser. If you are looking for an acoustic duo for an event, please consider these two SPES dads, Ray Gauss and Joe Comer. For more information go to: <http://parklife.band>

## **A Message from outgoing PTA President:**

Dear SPES Families,

I just wanted to thank you for the opportunity of being the PTA president this year. Although, I was not able to accomplish the two initiatives I had planned: providing shade for the playgrounds and an all-encompassing recycling program. I do hope that we as the PTA were able to provide support for the teachers and school during this unprecedented time. I have learned a lot from the past two years of being on the board and am grateful for all that the PTA provides as it helps our school be exceptional. My one hope for us all as we approach this time of healing is that we show one another compassion, patience, understanding, and most importantly kindness.

Best of luck to the new board!
