

SEVERNA PARK ELEMENTARY SCHOOL

2022-2023 SCHOOL SUPPLIES

Once again, for this school year, AACPS has provided schools with additional funding to purchase all necessary school supplies for our students except for the two items listed in the box below. We hope this comes as good news and makes the preparation for the first day of school a bit easier!

Throughout the school year, supplies do get used up and/or worn out so **please replenish when necessary**.

In addition to the supplies listed, all students must have a backpack or tote bag large enough for folders but **without wheels**. **Please label all school supplies including backpacks, lunch boxes, and coats with first and last names**. Let's set a goal to keep our Lost and Found area empty this year!

Classroom teachers will communicate when and how often students need to bring their device closer to the start of the school year.

Kindergarten - Grade 5

- Bookbag or Tote Bag
- Lunch Box
