

Shady Side Elementary PTO October 2020 Newsletter

Happy October! We have all completed the first month of virtual learning! Congratulations families for welcoming the challenges and helping our scholars have a successful start to the school year. We cannot thank the staff and teachers at Shady Side Elementary enough! THANK YOU!

Even though we are going to have a different school year, the PTO wants to continue to support the staff, teachers and students just like previous years! We are looking to support the school in new ways this year as we navigate through online education. We still need support from the families to support the programs and events we have planned for the year. We welcome everyone to support our mission by becoming a member, supporting a fundraiser, joining a program or helping with a committee. For more information, please contact the executive team!
