Monthly Curriculum Overview:

Reading: In reading, students will use the informational text, *Computers* to further develop their skills and knowledge of the following reading skills: multiple accounts, author's point and evidence, informational text structures, and drawing inferences.

Writing: Students will continue to analyze mentor texts and literature to identify the various components of memoirs and continue to work through the levels of developing their memoir.

Math: Currently, students are reviewing multiplication and division strategies for whole numbers. We will end the year graphing on a coordinate plane.

Science: Students will be studying the environment and how it is affected by natural and human changes. We will analyze relationships between human activities and the earth's resources. Studying the earth's water supply and its consumption and conservation will be this month's focus. The school year will end with a culminating research project.

Social Studies: We are studying the beginnings of our government, the Constitution, branches of the government, and individual's rights and responsibilities. The school year will end with a culminating research project.

Health: In health, students will continue to further develop their knowledge of creating a healthy social and emotional environment for themselves and those around them. Specifically, lessons this marking period will focus on self-management.

Reminders:

Friendly Reminders:

-Please have your child charge their Chromebook nightly and remember to bring their headphones and chargers to school with them.

Promotion Information:

- Promotion will have two parts. Part one will consist of a slideshow that will be presented to all fifth graders on Thursday, June 17 during the school day and will also be available to families later that day. Part two will consist of the following details:

When: Thursday, June 17 from 3:00-5:00 pm (you will be given a time slot based on alphabetical order). This will be coming out to you soon.

Where: Shady Side Elementary bus loop

What: One family at a time (no more than 4 people total) will drive up to the front of the school, park, get out of their vehicle to take a photo with the fifth-grade teachers. Students will pick up their awards and presents at the same time as the photo. Once the photo is taken, families will proceed back to their vehicles so the next family may go.

If you have any questions, please reach out to your child's teacher.
