Dear Southgate families,

Our practice week is in full swing as we transition to e-learning. Has your child logged in to their Google classroom yet? The staff at Southgate has been working so hard preparing for this new way of learning. If you have any questions, never hesitate to reach out to your child's teacher. I would also encourage you to use the following link as a resource. You may be having some of the same questions as someone else. <https://www.aacps.org/elearning>

April 9th-13th is Spring Break. Take this time to enjoy your family and take a break from schoolwork.

The week of April 14th the assignments will be posted daily, and teachers will begin grading assignments. Your teacher will share which assignments will be graded. You will see their grade in the Grade Book like you have done previously. Your child may belong to several Google Classroom communities. Remember your teacher is available during their office hours that are posted in the Google classroom. Live learning time and virtual meetings will be used to engage with your child as well. If you need any help with Google Classroom reach out to your child's teacher or Mrs. Welch. kwelch@aacps.org.

We love our students at Southgate Elementary and are ready to embark on this new journey together.
