

# Safety Protocol Updates

Southgate Elementary School

All students, staff, and visitors must be masked at all times, with exceptions at lunch and recess. **Please send extra masks in your child's backpack and replenish weekly.**

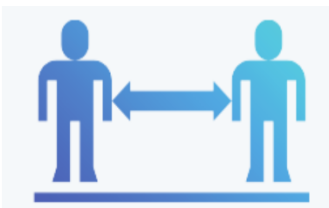

Students should not report to school if they have any of the following symptoms:

- Fever of 100.4 degrees or higher
- Sore throat
- Diarrhea or vomiting
- Difficulty breathing
- New onset of severe headache
- New loss of taste or smell

## Symptomatic Students at School:

Students with any of the above symptoms will be sent to the health room. With parent consent, students can get an on-site rapid COVID test. They will be sent home regardless of the outcome of the test. Students must be symptom free and have a negative test to return to school.

- The AACPS notifications make ALL families aware of a positive COVID-19 case in the school.
- **If your child was in close contact with this case**, you will receive a personal phone call from our Principal, Mr. Greubel, or Assistant Principal, Ms. Tuscano to discuss the need to quarantine.
