

News at a Glance

Dear Parents,

It is hard to believe that it is already November and we will soon reach the end of the 1st marking period. As Mr. Butler and I visit classrooms, we have seen students hard at work each day. I would like to continue to encourage student participation throughout each day. As we get closer and closer to the end of the marking period, please be sure to complete assignments on time. Parents can view student progress throughout the marking periods by signing into Parent Portal.

PowerSchool Parent Portal is a powerful, easy-to-use, secure communication tool connecting parents/ guardians and schools. Using the PowerSchool student information system, the Parent Portal allows collaboration to improve student achievement. Online access to student schedules, assignments, class grades and attendance information makes it easier for parents to monitor progress of students, in grades 1 through 12, in real time.

All fifth grade students have the opportunity to attend 1 of 3 specialized programs in middle school: International Baccalaureate at Old Mill Middle North, STEM at Old Mill Middle South and Performing and Visual Arts at Brooklyn Park Middle. For additional information please visit the link below: www.aacps.org/magnet . The online application opens at noon on Oct. 12th and closes at noon on Nov. 24th.

All the best,
Mr. Greubel
