

2020 First in Math Summer Challenge

A few minutes each day in **Practice Gyms** and **VIF's** makes a **BIG** difference with student fluency. Sunset challenges students to practice 20 minutes of First in Math 5 times each week. The **First in Math** log-ins remain activated until July 31st.

Parents, please initial the calendar after student practice. Return the calendar to school in September. Students who complete the **First in Math Summer Challenge** will receive a certificate and a special treat!

June 2020
