

7th Grade Virtual Orientation

Old Mill Middle School North 2020-2021

Welcome 7th Grade Families!

Before we get started...

- Place your microphone on mute. This will prevent feedback during the presentation.
- If you would like, you may turn off your camera.
- Open your chat box. Feel free to type in your questions. We will respond as quickly as possible.
- We will take questions at the end of the presentation as well!

Topics for today's orientation

- Virtual learning setup
- Virtual learning schedule
- Virtual learning expectations
- Virtual learning help/support

Virtual Learning Setup

Information to help your student(s) get set to begin virtual learning.

Setup for virtual learning

AACPS will continue to distribute devices (*Chromebooks*) to all students throughout the beginning of the Fall semester.

OMMN is scheduling device pick-up times and sending out connect-ed calls to alert families each time a shipment of Chromebooks arrives at our school.

This year your student will automatically be enrolled into the Google Classrooms of each assigned class on their schedule. **No need for codes or invitations to get into classes!*

STUDENT/PARENT PORTAL

Student/Parent Portal

The PowerSchool Student/Parent Portal, is down for the Summer break. We are scheduled to GO LIVE for Grades 1-12 in the 2020-2021 School Year, on August 31, 2020

OVERVIEW

PowerSchool Parent/Student Portal

PowerSchool Parent Portal is a powerful, easy-to-use, secure communication tool connecting parents/guardians and schools.

Using the PowerSchool student information system, the Parent Portal allows collaboration to improve student achievement.

Online access to student schedules, assignments, class grades and

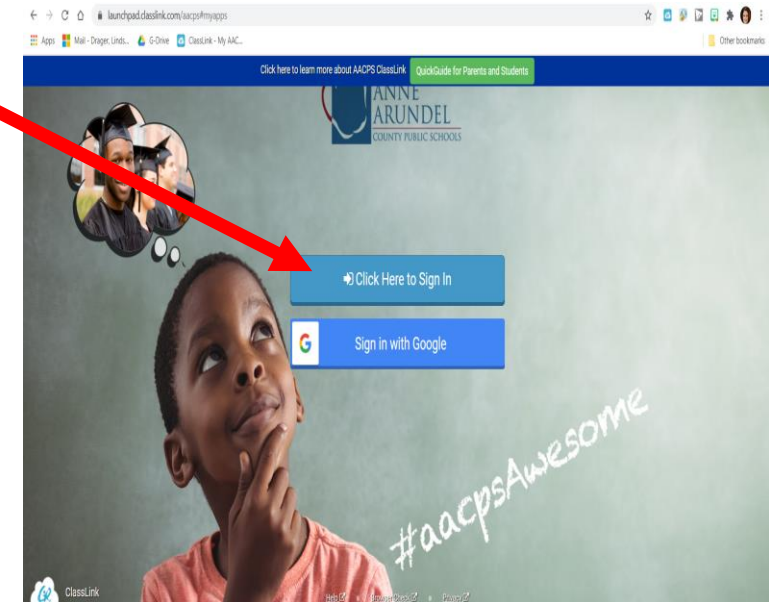

Resources

- [Establishing a Parent Portal Account](#)
- [An Overview to Navigating the Parent Portal](#)
- [Linking Students to an Existing Parent Account](#)
- [Email Notifications](#)
- [Parent Portal Mobile App](#)

- How will you and your student know their class schedule?
 - Schedules are available for students and their families on the parent portal. This also gives you real-time access to your student's grades all school year!
 - For help with parent portal setup, click the "student/parent portal" icon in the top row of the AACPS homepage. That page has many resources to get families connected and students linked to parent accounts.
 - Call our school if your have a log-in issue at 410-969-5950.

Tips for success on virtual learning

- Make sure that your student always uses the Chrome Browser  and logs into "classlink" to access their Google Classrooms.
 - This will ensure that they can access any programs needed to participate in class and complete their work.
 - Your student's login information will be:
 - User id/name= **6 digit student ID number** (used for lunch in school and listed on report cards)
 - Password= **YYYYMMDD** (birthdate)
- Use a desktop or laptop or Chromebook rather than a tablet/phone for completing assignments *whenever possible*.
- If your student is worried that something did not submit properly on Google Classroom, it is always a good idea to contact the teacher via email and send let them know. They may then have you email a copy of the work or send a screenshot.

Reading your schedule of classes

- Only read the letter "days" immediately following the period #.
- 7th graders have periods 1,2,5,6 on both A and B days.
- 7th graders have periods 3 and 4 encore classes on a rotating A and B day schedule.
- Terms:
 - 20-21 means the class will be *all year* in length
 - S1 means the class is only during *Semester 1* (Sep.-Jan.)
 - S2 means the class is only during *Semester 2* (Jan.-Jun.)
- Period 7 is our "homeroom" class to build community, promote wellness, and provide helpful tools to students on Mon., Tue., Thu., and Fri.

Virtual Learning *Expectations*

Information for success during "virtual classes" in Google Meet.

Virtual Attendance

- Teachers will take attendance for each class so please do your best to log-in on Google Meets at your scheduled times (links will be in the banner at the top of each Google Classroom)
- Absence notes will need to be e-mailed to: OldMillMiddleNorth@aacps.org
- If a student cannot participate in live-learning time, parents need to submit a request for alternate attendance. If approved, students will be considered present as long as they view the recorded lessons and complete the assignments (request form and more details will be coming soon from AACPS).

Expectations during virtual learning

Be on time for each class.

(Follow the AACPS middle school schedule times!)

Attendance will be taken for each class and the "period 7" community/wellness/tools.

Remember school policies while on Google Meets and on assignments. (Concerning student statements or behaviors will be reported by our staff to administration.)

Actively participate during class Google Meets.

Attend all class Google Meets and ask for help if you don't understand.

Normal grading policy returns.
(Students should expect a graded assignment due each week in each class)

Graded assignments will have a due date posted, so make sure to turn in anything that says "graded."
