Principal Notes/Update

Drop Off/Pickup- The following times indicate when students are supervised during the am and pm shifts.

Drop Off/Arrival Time- 7:55-8:15

Pick Up/Dismissal- 2:55-3:10

Car Riders- It is very important that parents use the car loop to drop off and pickup. For student safety in the parking lot as well as efficiency, thank you for not parking on our campus for drop off or pick up.

Back to School Night- This year's Back to School Night will be a hybrid event. Families are welcome to attend; however, we are strongly encouraging no more than 1-2 members from each family to minimize interactions within 3-6ft. We will offer live streaming of each teacher presentations through google meet to support those families viewing from home. More detailed information regarding those meet codes will be sent to 6th grade families early next week.

Agenda Planner- Each student has been issued an agenda planner for the 2021-2022 school year. If you haven't already built in time to review the planner with your child, please to so for 10 minutes each day. As we enter week 3 of the marking period, the volume of graded assignments will increase. The planner will allow you student to stay organized.

PRIDE Osprey of the Week

Thank you to **Ms. Miller** and **Ms. Bollino**, our front office staff for all of their hard work these first two weeks of the school year. The start of any school year comes with lots of questions from new parents to SPMS. Add in transportation, COVID and lunches this school year and it doubles the number of calls. Thank you for your support to our school and
