Principal Notes/Update

Park Period Locations- Locating students during the mid-day block is proving more and more challenging. By close of business Wednesday, IDT Leaders must submit a summary/list to Ms. Westley indicating where students are located on which days.

Classroom Cleanup- We need to start looking ahead to classroom cleanout. We will discuss further at our faculty meeting. However, all teachers are expected to clear their walls and counters as well as cover all bookshelves with paper.

Hall Duty- At almost 80% daily student attendance, hall duty becomes more and more critical. During all class changes, ensure your standing at the entrance to greet your students but also to monitor student behavior during class changes.
