

## **Student Use of Health Room:**

- **Students must have a** pass to visit the Health Room.
- Students will remain in the HR while their illness or injury is assessed, after which they will return to class or may be sent home.
- Students will return to class unless there is:
  - a fever (100.0 or greater)
  - vomiting
  - an injury that requires medical attention.
- Students are encouraged to notify a parent/guardian of the HR visit while still in the HR. HR staff is available to speak with parent if necessary.
