SECAC Special Education Survey Needs Your Input – Anne Arundel County Specific

It's time for the 5th Annual Anne Arundel Special Education Citizen's Advisory Committee (SECAC) survey. This unique survey was developed by local parents of students with disabilities and provides an opportunity for you to give direct feedback on how well you think special education services are working for your child and family. The information from the survey will be used by SECAC to advise the Director of Special Education. Please follow this link to the survey and **complete it by July 15, 2020.**
