

COVID – 19 Symptoms are **NOT**:

- ❖ Nasal Congestion
- ❖ Runny Nose
- ❖ Fatigue
- ❖ Muscle or Body aches

COVID – 19 Symptoms include **ONE** of the following:

- ❖ Fever of 100.4 or higher
- ❖ Sore Throat
- ❖ Cough
- ❖ Difficulty Breathing
- ❖ Diarrhea or Vomiting
- ❖ New Onset of Severe Headache (especially with a fever)
- ❖ New loss of taste or smell

If your child has any of the covid symptoms, please keep them home and advise the school. They will need a **NEGATIVE COVID-19** test to return to school. Please provide a copy to the Office/Health Room.

If the test result is **POSITIVE**, please let the Office/Health Room know as soon as possible. You will be contacted with further instruction at that time.
