SENIOR PARKING REGISTRATION- 2019-2020
Anne Arundel County Public Schools- Meade High School
INFORMATION AND INSTRUCTIONS- PLEASE RETAIN FOR YOUR RECORDS.

- An assigned permit is valid only for the 2019-2020 school year. Class of 2020 Seniors will be notified if they received a space by August 26th. At that time, we will let you know when the mandatory parking class will be. Class of 2020 Seniors who are awarded parking MUST attend ONE of the required orientations. All applications and $30 parking fee must be turned in to Ms. Carter by August 12th.

- **Outstanding Obligations = No Parking Permit** (This includes textbooks, class dues, unpaid parking tickets etc.)

- Due to the limited parking spaces at Meade High School and the number of students in the Class of 2020, parking is limited and assigned first to Class of 2020 Seniors involved in priority programs, which are defined by Board of Education Policy JGA as school-based early release programs (see Policy JGA for all parking guidelines):
  - School credited off-site work/intern programs (not after-school jobs)
  - ECAP-Early College Access Program (must show proof of applicable enrollment and payment)
  - Vo-Tech (off-site students only- not CAT-South students)
  - JROTC

  Any remaining spaces will then be assigned to Class of 2020 Seniors in the following order:
  - Participation in an extra-curricular activity in the current semester (verification will be conducted).
  - Minimum GPA of 2.0
  - All other seniors, through a lottery system.

> **Late applications will not qualify under these priority programs**!

- Only completed applications received by the deadline will be eligible for priority programs. Parking applications must be submitted to Ms. Carter no later than August 12, 2019. Class of 2020 Seniors who submit applications after the cut-off will be assigned parking spaces based upon availability, not by priority programs. Once all available spaces have been assigned, those seniors remaining will be placed on a waitlist. As spaces become available, they may be assigned via lottery.

- While on the waitlist, any parking violations will result in the student's removal from the list. Underclassmen who park illegally and seniors with unpaid parking violations will not be eligible for a parking permit.

- Seniors may lose their parking privileges if they violate the Meade Code of Conduct or violate parking regulations. Specifically see #11- Parking Rules & Regulations.

- Only Class of 2020 Seniors with a valid driver's license may apply. Those who have a learner's permit may not submit applications for parking permits until they actually have a valid driver's license. The student's vehicle must also be registered to them, their parents, or their guardian.

PARKING INFRACTIONS: Reckless driving; Parking without a permit; Parking in an unauthorized area. Any other action deemed unsafe by administration.
