

The 2019–20 Dr. Martin Luther King, Jr.

Visionary Kids Contest

This year's theme:

The Time is Always Right to do What's Right:

In 1964, Dr. Martin Luther King, Jr. told a group of students, "The time is always right to do what's right." Dr. King was referencing the recent turmoil and violence in our country, but through a vision and hope for peace. As the theme for the 2020 MLK, Jr. Memorial breakfast, we encourage you to reflect upon what this statement means to you, as a future leader and change agent for peace and equality for all.
