

**Summer 2020
20 Hours of Professional Development FAQ**

Question: After I engage in my Equity PD, eLearning PD, and Safe Schools, PD, then I have a few hours left for PD of my choice to fulfill my contractual 20 hours of summer PD. Can I choose content or program PD for these remaining hours? If so, how does this work?

Answer: Absolutely! After completing your Equity, eLearning/Google, and *SafeSchools* PD hours, your remaining mandatory professional development hours can be rounded out by selecting from the many amazing PDs offered by PGD as well as all other AACPS offices and divisions. Any PD offering offered in LGS is acceptable to fulfill your “choice” PD hours.

NOTE: You may be paid for any summer PD you engage in (where a stipend is available) after you have fulfilled your 20 hours of summer PD per the negotiated agreement.
