Recovery

Grant Funded
\$1,753,356

To start the school year, students in grades K–8 were introduced to the iReady assessment tool to make diagnostic determinations on their instructional needs. The results build a distinct path for each learner to grow and be successful.

Overall, **18,724** students have worked on their reading paths and **17,631** students have worked on their math paths, defined and developed to determine a unique learning journey for each student.

Free Homework Help & Tutoring (MS and HS)

Grant Funded
\$610,173

146 tutors
10 school counselors
1036 drop-in sessions
863 small group sessions

- MS & HS Courses**

Professional Development

Grant Funded
\$219,925

In preparation for virtual learning, the **Department of Professional Growth & Development** collaborated with the **Office of Instructional Technology and Office of Equity and Accelerated Student Achievement** to provide an environment to quickly grow teachers from novice to expert distance learning educators.

- Keen focus on equity as outlined and upheld in the AACPS Strategic Plan
- Emphasis on equity has increased in response to the needs of students
- Equity PD requirements reflect the school system's true desire to elevate all students and eliminate all gaps no matter the circumstances
- Equity-focused sessions occur at least once a month as well as on early dismissal days
- Building Equity Stamina Training (BEST)
 - Four-part professional development series
 - Delivered to several offices in the school system
 - Builds leadership capacity through equity lens

All employees across the school system dedicated themselves to providing an awesome virtual learning experience to students to start the school year.

More than 130,000 hours logged for Summer PD

Close to **250** PD courses were available

More than **700** Learning sessions or workshops were offered

More than **500** AACPS Micro-Credentials

More than **4,000** participated in self-paced Google module offerings

More than **16,000** participated in Everything Google PDs

More than **32,000** hours of self-paced work was completed from three PD Matrices of Choice

Districtwide professional development occurs every **Wednesday 1-2:30 p.m.**
