

Welcome to our Spring 2021 Return to School Survey-Registration Form. Every family with ECI and preK-12 students must register their selection of learning model for each of their students. You will be asked to note your choices related to learning models, transportation, and teacher selection in the registration process.

Take your time to review the models on the [Spring 2021 Reopening for Families website](#) before making your selection below.

Please print out the confirmation form or make note of the confirmation number, this will be needed if you want to make changes. **A copy of this will also be sent to the EMAIL on file for the FIRST CONTACT ONLY.**

## Family Survey-Registration Form for a Return to School

### Student Id

XXXXXX

### Full Name

XXXXXXXXXX

**NOTE:** See [2020-2021 start and end times for all schools here](#) or on the right hand side bar of [www.aacps.org/spring2021familyreopening](http://www.aacps.org/spring2021familyreopening) hybrid model webpage.

### Type of Learning Requested for your student through June of 2021 (marking periods 3 & 4)

- Virtual-Only Model for the remainder of the school year (4.5 days/wk) When students return to in-person learning at each level, the school start time schedule for virtual-only and hybrid learners will change to match individual school start and end times.
- Hybrid Model (In-Person 2 days/wk + Virtual 2.5 days/wk) When students return to in-person learning at each level, the school start time schedule for virtual-only and hybrid learners will change to match school start and end times.

**Teacher Importance: We recognize that some families don't simply want to select a learning model, but rather they wish to select any learning model that will allow their child to stay with their current teacher. Although, you indicated a learning model choice for your student above, if keeping your student with their teacher is your priority such that you want the learning model for your student where they stay with their current teacher, please indicate this below.**

- My highest priority is for my student to stay with their teacher for the remainder of the year. If this means changing the model that I indicated as my preference, please do so for my student.
- I have made my learning model choice for my student above. It is important that my student is put in the model I chose for them.

*We cannot guarantee that your student will be able to stay with their current teacher, but it is important that we know what your priorities are related to teacher choice and learning model.*

### Lunch

- My student will be a hybrid learner and will bring a lunch to school most of the time.
- My student will be a hybrid learner and will eat a school lunch most of the time.
- My student will be a virtual learner and will be picking up a lunch at one of the 127 meal pickup locations.
- My student will be a virtual learner and will eat at home; they will not need an AACPS lunch.

### Where does your student currently reside?

*For transportation planning purposes only.*

- Home address – within county and school zone.
- Address within county and school zone, but not home address.
- Address within county, but out of home school area.
- Address outside of county.

### Bus

*Optional. Please only make choices in this section if your student is eligible to ride a bus to school. If you intend for your student to ever use AACPS bus transportation, please tell us now as we have to plan for the reduced number of students who can ride the bus at any one time. It is important for us to know if your student will ever ride the bus so we can allocate a seat (Check all that apply).*

- My student will be a hybrid learner and will use morning bus transportation from my neighborhood **to school** on most days.
- My student will be a hybrid learner and will use morning bus transportation from daycare **to school** on most days.
- My student will be a hybrid learner and will use afternoon bus transportation **from the school** back to my neighborhood on most days.
- My student will be a hybrid learner and will use afternoon bus transportation **from the school** back to daycare on most days.
- My student will be a hybrid learner and will use AACPS bus transportation occasionally.
- My student will be a hybrid learner and will not use AACPS bus transportation.

### Self-Transport

Optional. These questions are so that we can plan for the traffic flow each morning (Check all that apply).

- My student will be a hybrid learner and I or another family member will be self-transporting him/her **to school** on most days (only transporting my own students).
- My student will be a hybrid learner and I or another family member will be driving a carpool to transport my student and at least one other student **to school** on most days (transporting my own student and at least one other student who does not reside with me).
- My student will be a hybrid learner and another adult (outside my family) will be driving a carpool to transport my student **to school** on most days.
- My student will be a hybrid learner and my daycare provider will be transporting my student **to school** on most days.
- My student will be a hybrid learner and I or another family member will be self-transporting him/her **from school** to home on most days (only transporting my own students).
- My student will be a hybrid learner and I or another family member will be driving a carpool to transport my student and at least one other student from school **to home** on most days (transporting my own student and at least one other student who does not reside with me).
- My student will be a hybrid learner and another adult (outside my family) will be driving a carpool to transport my student **from school** to home on most days.
- My student will be a hybrid learner and my daycare provider will be transporting my student from school back **to the daycare facility** on most days.
- This question does not apply to me as my student will be riding the bus to and from school.

### Signature

- Completed by AACPS employee on behalf of parent/guardian.
