Apex Arts overview

**A program that's
GREATER
than the sum of its arts.**

At Apex Arts, we engage our students with an art focused curriculum that goes beyond honing a natural ability. It's a top-tier creative education that fortifies raw artistic talent with knowledge and support designed to help students make an impact in the real world.

Our administrative staff consists of experts in education that are dedicated to cultivating young artists' potential. Their vision is realized through our outstanding teachers who work in partnership with accomplished artists to provide students with an unparalleled educational experience.

Apex Film & New Media overview

**Expression. Connection.
Direction.**

Apex Film & New Media engages students in course work designed to enhance understanding of the practical and conceptual use of modern arts technology. Students will explore, study, analyze and produce works of art using a range of professional level software, hardware, and equipment. Understanding and articulation of concepts, vocabulary and techniques are built through the analysis of various master works, genres, and eras in film and new media art.

Apex+

It's only up from here.

Apex+ presents students with the unique opportunity to further learning and explore varying disciplines. This program also offers students the ability to learn even more from our partner teaching artists. Example classes include:

- Collaborative Filmmaking
- Exploring Film Music
- 20 Minutes or Less: The Art of Short Film
- Directing for the Camera
- Digital Painting and Animation
- Darkroom and Digital Photography

Professional Arts Experiences

Inspired outings. Insightful outcomes.

We understand broadening students' creative vision starts by keeping them inspired. By exploring fresh perspectives outside of the Apex Arts ecosystem, our students gain insights that expand their outlooks. Destinations include:

- AFI Silver Theatre and Cultural Center
- Annapolis Film Festival
- MoMA (NYC)
- National Gallery of Art
