Presentation of the STEM Awards

Second Place | First Place | Teacher Fellow

Special Thanks

AACPS-TV

Division of Advanced Studies & Programs

Division of Design & Print Services

Main and Market—Catering

St. John's College

Thank you to the AACPS Science, Math, and Career & Technology Offices for their leadership and support of the students and teachers participating in STEM curricular and co-curricular activities across the county.

This evening would not be possible without the dedication and professionalism of our district's science, technology, engineering, and mathematics teachers who motivate and inspire our students in STEM courses.

Additionally, thank you to the families of the students and the teachers for supporting and encouraging these STEM honorees to be the very best they can be.

Please visit the AACPS STEM website, in April, to view photos from this evening's ceremony – www.aacps.org/STEM

George Arlotto, Ed.D., *Superintendent of Schools*

Maureen McMahon

*Deputy Superintendent
Academic & Strategic Initiatives*

Mary Tillar

*Assistant Superintendent
Division of Advanced
Studies & Programs*

Tina Gillmeister
