

# Intermediate Student Schedule: Grades 3–5

The Intermediate school day runs from 8:30-3:18 daily, Monday-Friday. In addition to synchronous and asynchronous learning expectations, a lunch bunch will be offered daily to reinforce community with fun!

Recognizing the role of the whole child in learning, the schedule includes Engage and Connect Social Emotional Learning Activities on Monday, academic coaching and office hours for small group and individual support on Mondays and Tuesdays, and Co-Curricular Clubs on Friday. Additionally, Cultural Arts—PE, Art, Music, and Media—are offered for 45 minutes per week to foster movement, digital literacy, and passionate pursuits.

Learning is a multisensory process and teachers need to see and interact with students to provide the best learning experience. As such, for all synchronous periods, cameras are expected to be turned on at all times so that meaningful engagement and learning can take place.

Special Education, ESOL, ALPs, and Reading & Math Intervention supports and extensions will be provided during the day on a schedule provided by your student's teacher. These supports and extensions may be embedded into the subject area teaching or be purposefully placed into academic coaching time.
