Resource 2: AACPS general resources (Classlink)

Note: you must use the Google Chrome browser. Click here if you need to download.

- 1. Go to AACPS.org
- 2. Choose "Students" and then "ClassLink-Student Portal"

3. Login with your student's credentials

Sign in Https://dbi2.accps.org Username Password	student's 6-digit ID student's 4 digit birth year+2 digit birth month+2 digit birth day OR 123456789

4. Your screen will display all of the apps made available to students by AACPS, and this will be your display as long as you use Chrome and login to your student's account.

5. We recommend starting with the instructional resources in "Instructional Tech Resources, ES Tech" where the learning games and tools are sorted by grade, content and Common Core Standard.
