July 1, 2018

To the Citizens of Anne Arundel County:

The mission of Anne Arundel County Public Schools (AACPS) is "to educate all of our students to be well-prepared for college and the workforce and to empower them to create a better quality of life for themselves, their communities, and the next generation." Our Strategic Plan is built on values summarized best in three words – Relationships, Rigor, and Readiness – and our work is focused on one thing: Elevating All Students and Eliminating All Gaps. We want to accomplish this in the most positive, conducive, and nurturing school environments in the State of Maryland.

We are proud to present to you the Board of Education of Anne Arundel County's Operating and Capital budgets for Fiscal Year 2019, as adopted by the County Council. These budgets cover the period from July 1, 2018, through June 30, 2019. Details of expenses are presented according to operational departments as well as mandated state budget categories so that citizens and government officials can understand how AACPS plans to prudently use its financial resources.

The Operating Budget was carefully developed to utilize all financial resources efficiently. The budget provides for expansion of robust programs for more than 82,000 students, the largest in Anne Arundel County's history. Increases in student achievement and access to rigorous and relevant coursework for all students continue to be high priorities. There are many great programs and academic choices for our growing and diverse student population. With this budget, we are able to:

- Provide all employees with compensation enhancements
- Provide ongoing funds for the Health Care Fund
- Open the Carrie Weedon Early Education Center
- Provide 86 teaching positions to address rising enrollment
- Provide additional special education teachers and student support positions
- Expand the Monarch Academy Annapolis Public Contract School
- Continue the expansion of the Enhancing Elementary Excellence (Triple E) initiative in the Annapolis cluster. Triple E provides fully integrated and thematic learning experiences for students, and has been highly successful in other clusters.

Progress toward our goal has been made, although we all agree that much more needs to be done. This commitment requires an ambitious approach that will serve all students' individualized needs.

Our vision – that "Our students will graduate with the skills necessary to read, write, compute, and communicate effectively; think critically and creatively; work independently and collaboratively with others from diverse backgrounds; and engage in innovative interdisciplinary analysis and complex problem solving" – calls on us to develop in our students the necessary skills to enter the workforce and/or extend their learning at an institution of higher education. After all, our job is to provide children with the support and the opportunities that are necessary to take them from their different starting places and get them to the same finish line.

All of our children must have the opportunity for a quality education, conducted in a caring and supportive environment. That education must be provided at a public cost that adheres to the best principles of sound financial management and responsibility to you, the citizens and taxpayers of Anne Arundel County.

This budget reflects our ongoing, aggressive approach to look at each and every expenditure account and redirect resources to accomplish key initiatives, as opposed to constantly requesting additional funds to do the same. Difficult reductions and realignments have been accomplished again this year to meet basic and mandated needs.

As we continue to emerge from tough economic times, AACPS struggles to balance the true needs of this school system with the recognition of the fiscal constraints that the State of Maryland and Anne Arundel County continue to experience. In light of those facts, the budget we presented the County Executive reflected a modest 3.84 percent increase that provided incremental compensation increases for employees and accommodated increases to our contractual obligations, such as Monarch Academy Annapolis.

Increases in federal, state, and local revenue have resulted in the approval of a \$1.18 billion operating budget. County funds approved to support the operating budget total \$687.1 million, an increase of \$27.9 million. This increase in county funds exceeds the minimum level mandated by state law, also known as Maintenance of Effort (MOE), by \$15 million. We are grateful for the efforts of the County Executive and the County Council to recognize the ongoing needs of our school system.

Our Division of Food & Nutrition Services receives no direct financial support from this Operating Budget. It receives all of its operating funding from school lunch and breakfast sales, as well as reimbursements from the federal government and assistance from the Maryland State Department of Education. AACPS prepares and serves nearly 3.7 million breakfasts, 5.8 million lunches, 131,000 dinners, and over 122,000 summer meals to students and staff members each year. We are pleased that the 2018-2019 school year will, for the fifth consecutive year, bring no increases in meal prices for any students.

The FY2019 Capital Budget totals \$190,102,710. The key focuses of funding include:

| • | Open Space Classroom Enclosures | \$ | 8,000,000 |
|---|---|-----|------------|
| ٠ | All-Day K and Pre-K Additions | \$ | 7,500,000 |
| ٠ | Systemic Renovations | \$ | 7,194,000 |
| ٠ | Maintenance Backlog | \$ | 4,000,000 |
| ٠ | Safety and Security Needs | \$ | 1,750,000 |
| ٠ | School Construction/Additions/Renovations | \$1 | 41,350,000 |
| • | Other Capital Projects | \$ | 10,308,710 |

Capital project construction funding is included for Arnold, Edgewater, George Cromwell, High Point, Jessup, Manor View, Richard Henry Lee, and Tyler Heights elementary schools, as well as Crofton Area High School.

Providing the best possible educational experience for *every* child will require the support of the entire educational community. We hope our mutual concern for the best interests of the students of Anne Arundel County will prevail as we strive to address identified system needs, strengthen existing programs, and continue to raise student performance to the highest levels. We are committed to equitably providing the resources needed for all children so that they can meet their utmost potential.

Our school system – *your school system* – in concert with the County Executive, County Council, and other elected and appointed officials, must continue to focus all available resources on instructional programs and school facility needs to ensure that optimum learning environments are available for all young people.

We present these budgets to share them with the citizens of Anne Arundel County. We invite you to examine this document to understand how your tax dollars are being spent on education, and to assist you in becoming active and informed members of the community. We have included some additional useful resources for you at the bottom of this letter to enable you to do just that. Individuals having questions on any material contained within this budget document may contact AACPS Financial Operations at 410-222-5095.

Sincerely,

umme

The current Board of Education is composed of nine members: five adult members, each of whom reside in a different legislative district; three appointed from the county at large; and one student member.

As a result of Maryland law, the composition of the Board will change beginning on December 3, 2018. The composition of the Board will move toward seven nonpartisan elected Members (one Member from each of the seven councilmanic districts in Anne Arundel County) and one student member. The first four elected Board Members will take office on December 3, 2018, and the remaining three elected Board Members will take office on December 7, 2020. The student member, who is elected to a one-year term by the Chesapeake Regional Association of Student Councils, is in the unique position of having the privilege of full voting rights on the Board.

The elected Board Members must be residents of Anne Arundel County and a Member elected from a councilmanic district must be a resident of that district. However, if the boundary line of a councilmanic district is changed, the term of an incumbent Member of the Board who no longer resides in that councilmanic district because of the change is not affected during that term.

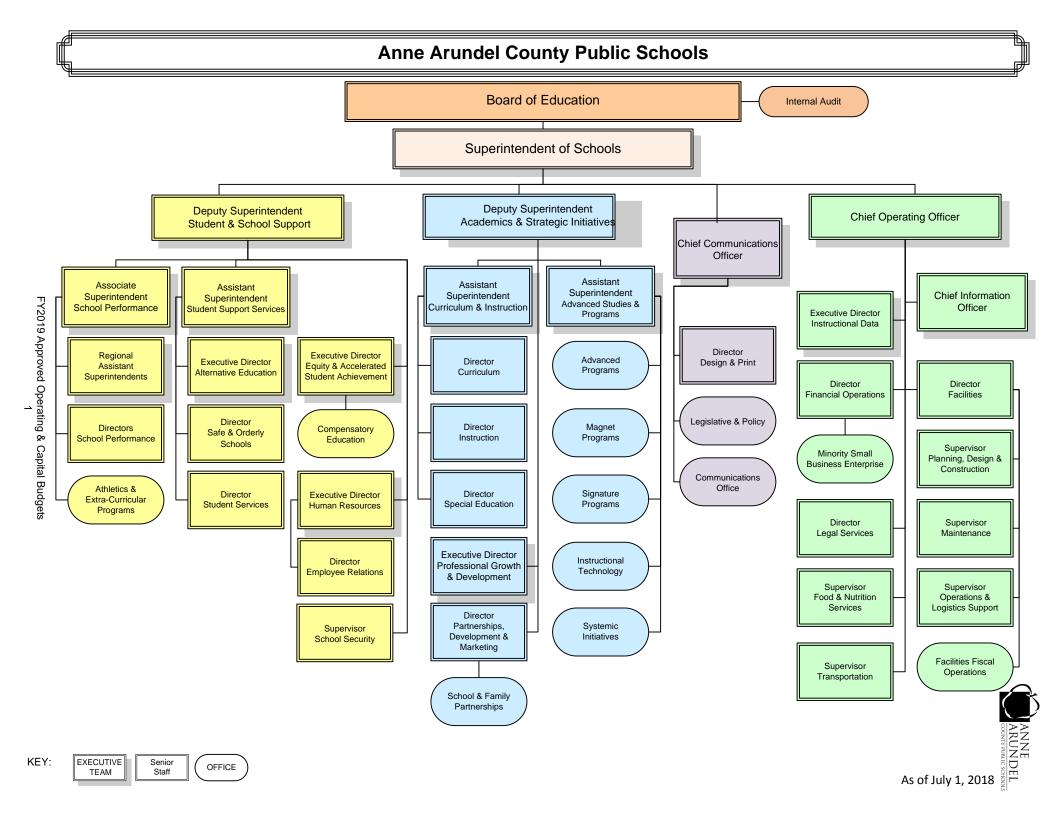

Annually, the Board elects a president and vice president from its members. Maryland Education Law provides that the Superintendent is the executive officer, secretary, and treasurer of the Board.

The Board has the responsibility to maintain a uniform system of public schools that provides quality education for the young people of Anne Arundel County. With the advice of the Superintendent, it determines the education policies and prescribes the rules and regulations for the conduct and management of the school system. The Board also has the authority to establish schools and to determine the geographical attendance area for all schools.

Generally, the Board holds regular public meetings twice a month to conduct normal business. Also, in accordance with state law, closed sessions are held twice a month to consider matters allowed by the Maryland Open Meetings Act.

The Budget Document

The budget document contains summaries according to state-mandated expenditure categories. However, the detailed budget breakdown is structured along the lines of the organizational chart. Staff and operating costs are shown by major functional areas:

- > Board of Education/Superintendent
- > Deputy Superintendent for Student & School Support
- > Associate Superintendent for School Performance
- > Assistant Superintendent for Student Support Services
- > Deputy Superintendent for Academic and Strategic Initiatives
- > Assistant Superintendent for Curriculum & Instruction
- > Assistant Superintendent for Advanced Studies & Programs
- > Chief Communications Officer
- > Chief Operating Officer
- > Chief Information Officer

Each division/office is listed throughout the document and is accompanied by a short program description, a description of budget outcomes and expectations and an explanation on the use of the budgeted funds.

Revenue projections for the coming fiscal year and details lead off the document, followed by summaries of expenditures. Further along in the document, the reader will find employee salary scales and miscellaneous information regarding operating and capital budgets, expenditures, and school enrollments.

All of this information has been provided so the reader may become better informed about the financial operations of Anne Arundel County Public Schools (AACPS) and how and where to get further data if needed. The budget document continues to evolve year after year in an effort to keep the public better informed of school system financial activities.

How the Budget is Developed

There are several editions of the operating budget each year. The Superintendent of Schools makes an initial recommendation of programs and expenditures in December. The Superintendent's recommendations are presented to the Board in public session and two subsequent public hearings are held exclusively for public reaction to these recommendations. Also, the Board will hold a public workshop to discuss budget issues prior to the preparation of their requested budget. The Board then, in another public meeting, formulates an operating budget request to be forwarded to the county government by March 1.

The Board's operating budget request is then reviewed and acted upon by the county government and is then returned to the Board by June 15 for implementation beginning on July 1. Maryland state law requires that the county government approve a budget within specific categories of expenditures

(detailed below). The Board retains the right to adjust its programs, within the defined state categories, to best suit the goals and objectives as outlined within the budget document.

What the Operating Budget Pays For

Maryland state school law requires that each school system have an annual operating budget. The operating budget is a spending plan for the fiscal year (July 1 through June 30) and is organized into spending categories as dictated by the school law. The state budget categories are:

Administration

This category includes costs for central administration of the school system. The offices and functions of the Board of Education, Superintendent, Chief Operating Officer, Legal Services, Finance, Purchasing, Internal Audit, and Budget, are included. Centralized services, including Human Resources, Design & Print, Technology, and Instructional Data, are also reported in this category.

Mid-Level Administration

This category includes school-level administration and instructional direction and improvement. All costs associated with the Principal, Assistant Principal, School Business Manager, school clerical staff, Assistant Superintendent for Curriculum & Instruction, instructional Directors and Coordinators, as well as any support staff for these positions are reported in this category.

Instructional Salaries & Wages

This category includes salaries and wages for all school-based instructional personnel. Included are teachers, teaching assistants, counselors, psychologists, substitutes, and part-time salaries for after-school activities, evening high school, summer school, itinerant teachers, etc.

Instructional Textbooks & Supplies

All supplies and materials used in support of the instructional process are reported in this category. Included are textbooks, materials of instruction, library and media supplies, and other supply costs directly related to students and instruction.

Other Instructional Costs

All other expenditures associated with the instructional process are reported in this category. Included are travel and mileage reimbursements, staff development, repair costs for instruction equipment, and both new and replacement equipment expenditures.

Special Education

Expenditures associated with programs for children with disabilities, as determined through appropriate assessments, are reported in this category. There are many services provided to these children based upon Individualized Education Program (IEP) development. This includes vision and hearing programs, speech, occupational and physical therapy needs. Costs associated with providing special education students educational opportunities in other counties or states which the school system is unable to provide locally, are reported in this category.

Student Personnel Services

This category includes personnel assigned the task of working with children who demonstrate behavior problems at home, in school, or in the community. These personnel are also charged with working with identified (at-risk) students to improve attendance at school, thereby reducing the student drop-out rate.

Student Transportation Services

This area of expenditure category is responsible for transporting students from home to school and back in a safe and efficient manner. All costs of the school bus operation and other costs relating to the transport of students to class are included. Also, special education student's transportation needs are reported in this category.

Operation of Plant

All of the costs of operating and cleaning the physical facilities of the school system are reported here. Included are custodians, heat and electricity, water and sewer, trash removal, and general cleaning services. School security operations and rental of facilities are also reported in this category.

Maintenance of Plant

This category reflects expenditures for all maintenance personnel who are assigned to maintain the upkeep of the buildings and grounds owned by the school system. Included in this category are all supplies and materials needed to perform routine maintenance and specialized, contracted repair services.

Fixed Charges

This category includes payroll taxes, property and liability insurances, and employee fringe benefits.

Community Services

This category supports annual exhibits of schoolwork, multicultural festivals, community-student performance activities and festivals, partnerships with the private sector, and hosting visiting international education teams.

Capital Outlay

This category includes activities related to the cost of directing and managing the acquisition, construction, and renovations of land, buildings, and equipment.

Debt Service

The cost of interest and repayment of principal for funds borrowed by the county government for school system capital projects is charged to this state category. AACPS has no authority to contract for debt on its own.

Note: Debt Service funding remains with the county government and is included in the Supplemental Information section of this document; "On-Behalf Contributions".

Where the Money Comes From

Maryland's state aid for public school education is equalized based on income and property wealth among the various counties and Baltimore City. The income in support of the AACPS budget comes from the following five sources:

| County | 58.0 % |
|----------------|------------|
| State | 30.7 % |
| Federal | 3.6 % |
| Local | 4.6 % |
| Restricted Rev | enue 0.1 % |
| Special Revenu | ie 3.0 % |

The Maryland state law provides that the counties and Baltimore City must appropriate (create spending authority) funds to the Boards of Education, including those funds coming from sources other than the counties. The appropriations are established by category as outlined above and the local Boards are required to fund their operations within those appropriated amounts. Educational decision-making rests with the Board of Education and cannot be usurped by local government authorities.

Restricted Revenue from Other Sources

Restricted revenue from other sources represents the fund balance amount contributed from the Internal Service Fund for Health Care toward current year expenditures.

Special Revenue Fund

The school system maintains a special revenue fund to account for food services provided in the schools. This budget differs from the operating budget in that it operates similar to a business and is 100% self-funded. No contributions are received from the General Operating Fund. Approximately 35% of funding is from the sale of food, 60% from federal funding, 4% from state funding and 1% from local sources. Federal regulations prohibit the fund balance from this special revenue fund to exceed three months of expenditures.

The Capital Budget

The capital budget differs from the operating budget in that it is structured in terms of projects. Each project within the capital budget is a "mini-budget" in itself and the budget does not end at the close of the fiscal year (as does the operating budget) but at the completion of the project. Capital budget projects are usually fairly large in scope and generally are contracted with construction companies, which specialize in large building, renovation, or specific types of work.

Capital budget funding comes from several sources. The state public school construction program pays for a portion of renovation and new facilities. Their contribution is based on formulas containing factors such as age and condition of building; number of new seats being provided; and square footage involved, etc. Another major source of funding comes from the county government's issuance of

bonded debt. The public school system has no municipal bonding authority in the State of Maryland and must rely on the county government for this source of revenue.

Other sources of revenue for the capital budget include new development impact fees assessed by the county, interest income from idle fund investments, and unspent appropriations from previously completed projects. Generally, these sources are a small percentage of the total allocation in each budget year.

Budgetary & Accounting Controls

The administration of the school system maintains budgetary and accounting controls designed to ensure the reporting of reliable financial information. The system is designed to provide reasonable assurance that assets are safeguarded and transactions are recorded and executed with the appropriate authorization. Internal control systems are subject to inherent limitations, because of the necessity to balance costs against the benefits produced. The administration believes that the existing system of budgetary and accounting controls provides reasonable assurance that errors or irregularities that could be material to the financial statements are prevented or would be detected within a timely period. The Board utilizes a detailed line item budget, which is prepared according to the guidelines, and requirements set forth in The Public School Laws and Bylaws of Maryland and the Financial Reporting Manual for Maryland Public Schools.

The budget is deliberated by the Board through a series of public hearings and forwarded to the County Executive and County Council for their consideration and funding authority. Under state law, the county government sets the appropriation levels by major categories. The Board may transfer funds among major categories only with approval of the county government. Unencumbered appropriations remaining in the operating budget at the end of the fiscal year carry-over into the Board's fund balance.

Monthly financial statements are prepared for the General Fund and Capital Projects Fund and are distributed to the Board, county officials, and school system administrators. AACPS uses the modified accrual basis of accounting. The statements for the budgetary funds include the appropriation balances remaining to be spent by category and/or object of expenditure.

In addition to the interim financial statements, administrators, school principals, financial secretaries, business managers, and account managers have the ability to view financial reports on a daily basis through the district's financial accounting and budget software. Security limits access to view only those expenditure accounts, for which they are responsible. These reports detail the year to date transactions and summarize the balances to be spent from the appropriations allocated for goods and services among the programs so managed.

Through the accounting system, requisitions are allocated against remaining budget funds for availability that precludes any requisition for services, equipment, or supplies and materials from becoming a purchase order if the account would be over-encumbered. These requisitions, together with a report showing why the requisitions would overspend the appropriations allocated, are returned to the originator (account manager) for appropriate action.

Salaries and wages are controlled by a system comparing the individual budgeted positions by job class with positions filled.

The automated financial accounting and budget system includes the safeguards necessary to ensure that all machine-processed transactions agree with predetermined totals before becoming permanent records.

An independent certified public accounting firm prepares a year-end financial report. This examination of the general-purpose financial statements is performed in accordance with generally accepted auditing standards. The report includes a review of the school system's budgetary and accounting controls. Also, throughout the year multiple audits are performed further ensuring accuracy and integrity by MSDE and other various governmental agencies.

Cash Management

The school system administration has an aggressive cash management program, which expedites the receipt of revenues and prudent investment of all available cash in obligations collateralized by instruments issued by the United States Government or federal government agencies created by an act of Congress or insured by the Federal Deposit Insurance Corporation.

General Long Term Obligations and Debt Service

The Board of Education has no taxing powers and may not issue long-term debt instruments. Consequently, the Board is fiscally dependent upon federal, state, and county governments to finance the operation of AACPS.

The Board has no contingent liability for the repayment of long-term debts incurred by the state and county to finance the construction of public schools in the county. Therefore, the Board has no legal debt margin. State law requires the reporting of annual county debt service and related revenues in the General Fund and Operating Budget. The amount of school construction debt outstanding as of June 30, 2017, was approximately \$632,847,858.

General Information

Statistical tables of enrollment, cost per pupil, and other supplemental information are included in this report and are in the "Supplemental Information" section in the back of this document. This information is provided for purposes of supplemental analysis and is believed by the administration to be accurate and complete.

Information about the accomplishments, goals, and the types of services offered by the school system is contained in the Superintendent's letter to the citizens.

Acknowledgements and Conclusions

The preparation of the approved budget on a timely basis could not have been accomplished without the efficient and dedicated services of the entire staff of the major departments within the school system. Also, we would like to express our appreciation to the department heads and individuals that assisted in the development of the budget.

This budget has been prepared to provide financial and budgetary information for fiscal year 2018-2019 in a manner consistent with the goals and objectives of the Board of Education of Anne Arundel County.

Revenue Overview Operating Funds

Federal Revenue

Federal revenues are estimated to decrease by \$0.6 million in FY2019, due to a decrease in a federal government subsidy. Federal revenue includes Title I, Title II, Title III, Medicaid, Impact Aid, Aid to the Handicapped and other grant programs. Total federal revenue is estimated at \$42.1 million.

State Revenue

State aid to education is based on unrestricted funding for four programs, one based on total student enrollment and three based on the enrollments of three categories of students with special needs. Total state aid in FY2019 is estimated to increase by \$9 million to \$363.9 million. The increase is related to enrollment growth.

Local Revenue

Local revenues are those funds generated by the school system. This includes investments, fees, refunds, and unrestricted non-employer health care contributions. The total amount of local funding for FY2019 is estimated at \$40.9 million, with a majority coming from the unrestricted non-employer health care contributions in the Internal Service Fund for Health Care⁺ (\$39.0 million).

Restricted Revenue from Other Sources

Restricted revenue from other sources represents the fund balance amount contributed from the Internal Service Fund for Health Care toward current year expenditures. This restricted revenue for FY2019 is estimated to be \$1 million.

Fund Balance Surplus from Prior Years

The General Fund unrestricted fund balance (\$13.0 million) is a result of expenditure savings from prior fiscal years.

County Revenue

County funding for FY2019 is \$687 million, an increase of \$5.4 million or 0.8% above the FY2018 approved amount. The general funded increase is \$27.9 million. The required amount of county funding to meet Maintenance of Effort* is \$12.8 million.

In FY2018, the county funding included \$22.5 million of non-recurring funds that are not calculated in the maintenance of effort funding.

Food Services Fund

The Food Services Fund is a special revenue fund, generated by the activities of Food & Nutrition Services. These funds vary slightly from year to year. FY2019 will see an increase in Revenue of \$2.0 million, reflecting an increase in the Sale of Food and an increase Federal assistance. Revenue is estimated to be \$35.6 million.

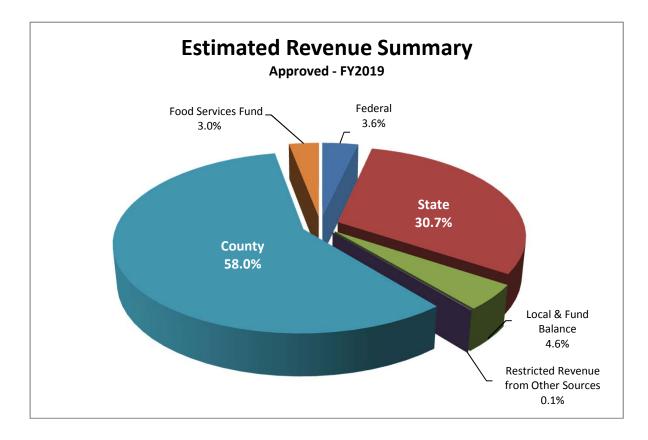

⁺ The State Board opinion #14-16 passed on April 22, 2014, requires the full budgeting of all health care revenue, not just the employers' share.

* Maintenance of Effort is defined as the county government's obligation to fund the Board of Education's *current* fiscal year budget at the same per-pupil dollar amount as in the *prior* fiscal year.

This program provides for staff development, career guidance services, and the purchase of equipment for students participating in vocational education programs.

TITLE I – Improving Basic Programs

This program provides assistance to improve the learning opportunities of educationally deprived children by providing opportunities for them to acquire the knowledge and skills contained in Maryland's challenging state standards. Schools are selected based on the concentration of children from low income families.

Federal Aid to the Handicapped – Individuals with Disabilities Education Act (IDEA)

This program provides funds for special education teachers, teaching assistants, and other services for students with disabilities from ages three through twenty.

Infants & Toddlers

This program provides funds for special education teachers, teaching assistants, and other services for students with disabilities from birth through age three.

Medicaid

This program reimburses the school system for services provided to Medicaid-eligible special education students. These services include case management, psychological services, social work, speech services, and occupational and physical therapy.

Preschool

This program provides financial assistance for initiatives that provide preschool experiences for the economically disadvantaged.

STEM DoDEA

The Department of Defense Education Activity (DoDEA) grant from the Office of the Secretary of Defense, funds the STEM@Meade program. Over a period of three years, these funds are being used to help build the culture and capacity within the elementary schools, eventually building a pipeline from grades Pre-K through post-secondary and beyond.

Title IIA - Improving Teacher Quality

This program provides funds for class size reduction teachers. It also provides funds to increase student achievement through improving teacher quality by providing professional development for teachers and administrators to increase the number of highly qualified teachers and administrators.

<u> Title III – English Language Acquisition</u>

This program assists students whose native language is other than English to integrate into regular education.

Judy Center

This program promotes school readiness by providing comprehensive early childhood services to children and their families.

Estimated Revenue Description Internal Service Fund for Health Care

Board Contributions from all Funds

This represents Anne Arundel County Public Schools' share of health care costs for employees and retirees, per contribution rates as negotiated with all bargaining units.

County Non-Recurring

This represents one-time funding, not included in the maintenance of effort calculations, to support the health care fund.

Employee Contribution

Employees who are enrolled in an AACPS health care plan contribute towards the total cost of the health insurance plan selected, per the contribution rates as negotiated with the employees' bargaining units. Contributions are deducted from the employee's paycheck on a bi-weekly basis. The amount of revenue is estimated based on covered employees and level of coverage selected.

Retiree Contribution

Retired employees who are enrolled in an AACPS health care plan contribute towards the total cost of the health insurance plan selected. Contributions are deducted from the employee's retirement check or are received directly from the retiree. The amount of revenue is estimated based on covered retired employees and level of coverage selected.

Federal Government Subsidy

The amounts reimbursed to Anne Arundel County Public Schools from the federal government for active employees eligible for Medicare who are covered by AACPS health insurance, as well as other health care subsidy programs.

Restricted from Prior Years

Restricted revenue from prior years represents the fund balance amount contributed from the Internal Service Fund for Health Care toward current year expenditures.

<u>Other</u>

Interest income attributed to this fund.

Duplicated Appropriated Contributions

Since the revenue for the employer share of health care has already been budgeted in other funds, it is necessary to remove these amounts in order to obtain the true Unduplicated Revenue from Other Sources that must be budgeted per State Board opinion $#14-16^+$.

⁺ The State Board opinion #14-16 passed on April 22, 2014, requires the full budgeting of all health care revenue, not just the employers' share.

Board of Education

Budget Accountability: Julie Hummer, President

The Board of Education of Anne Arundel County governs matters relating to education and operations of the school system as provided by the Public School Laws of Maryland. The Board is composed of five District members, three At Large members, and one Student member. As a result of a new law, the composition of the Board will change beginning December 3, 2018, moving toward a composition of seven non partisan elected members, one from each councilmanic district, and one student member. Legal representation is provided as necessary by an attorney on a contracted basis

FY19 Budget Outcomes:

• To maintain a uniform system of public schools, which provides quality education to the young people of the county.

• To encourage accelerated achievement for all students and to minimize the achievement disparities among all groups of students.

• To create an environment that encourages and nurtures creative and effective teaching and learning.

- To provide a safe environment for all students.
- To encourage all parents to become active participants in the education of their children.
- To assess public opinion concerning community needs and implications for the school system's educational program.

• To encourage public support for the school system.

Internal Audit

Budget Accountability: Walter Federowicz, Director

The Internal Audit Office is comprised of four professional auditors who perform a variety of attest functions as a service to the Board of Education and the management of Anne Arundel County Public Schools. Professional services are intended to assess compliance with Board Policy, Administrative Regulations, laws, contracts, etc. and determine if assets are being utilized effectively and efficiently to achieve the goals established by the organization. Audits are designed to assess operations and recommend revisions that will hopefully improve operations by increasing effectiveness and efficiency.

FY19 Budget Outcomes:

- Identify opportunities and make recommendations to reduce operational costs, enhance employee effectiveness and efficiency, and improve asset protections.
- Assess the effectiveness of operational controls and recommend revisions.
- Identify and investigate indicators of fraud.
- · Assist management in successfully accomplishing their goals and objectives.

Superintendent of Schools

Budget Accountability:

George Arlotto, Ed.D. Superintendent of Schools

The Superintendent of Schools provides leadership in developing and maintaining academically rigorous educational programs and services to meet the needs of each of the approximately 83,000 students in the Anne Arundel County Public Schools. While directly responsible to the Board of Education of Anne Arundel County, the Superintendent guides and directs the administrative, instructional, and support functions of the school system and provides leadership in setting and achieving district goals focused on accelerating student achievement. Through the establishment of measurable district goals, the office oversees the use of all facilities, property, and funds, keeping the best interests of students and the school system at the forefront.

FY19 Budget Outcomes:

• To accelerate achievement for all students and eliminate the achievement and opportunity disparities among all groups of students.

• To create a safe, supportive and inclusive learning environment that promotes accelerated achievement.

• To establish community partnerships to promote accelerated achievement in a welcoming school environment.

Equity & Accelerated Student Achievement

Budget Accountability:

Maisha Gillins, Ph.D. Executive Director

The Department of Equity & Accelerated Student Achievement (EASA) exists to work with schools, parents, and the community in order to Elevate All Students and Eliminate All Gaps. The EASA department aims to maximize student achievement by offering multi-faceted supports designed to help schools develop a responsive and equitable school culture, implement quality instruction that is research-based, differentiated and relevant, and provide enrichment opportunities for ALL students. In addition to maintaining its existing relationships with partners within and beyond the school system, the Department's mission is to expand its partnerships through innovative initiatives designed to increase community involvement and empower school and community leaders to effect lasting positive change.

FY19 Budget Outcomes:

.NNE .RUNDEL

- Provide customized support to address the site-specific needs of schools.
- Provide on-going professional development to Board members, Administrators, Student Services staff, Teachers, and other school staff related to building equitable practices and improving the quality of instruction.
- Develop innovative regional and system-wide school-based initiatives designed to increase student engagement and achievement.
- Form new partnerships to create additional opportunities for community outreach.
- Provide opportunities for various stakeholders to have a voice in identifying specific areas of concern and developing strategic solutions.

Elevating All Students

Budget Accountability: Maisha Gillins, Ph.D.

Executive Director

The goal of the Elevating All Students (EAS) Initiative is to minimize the difference between the performance of all student groups to the AACPS-identified standards. We believe a student's race, ethnicity or social status should play absolutely no role in the opportunities available to make the most of their talents. As a society and a school system, our collective job is to develop programs that support children and propel them as high as they can go, in some cases higher than they themselves believe they are capable of soaring.

FY19 Budget Outcomes:

- Elevate achievement for all students and minimize the achievement disparities among all groups of students.
- Create a safe learning environment that promotes accelerated achievement.
- Support schools, offices and staff to develop and introduce strategies that will elevate learning for all student groups.
- Establish community partnerships to promote accelerated achievement in a welcoming school environment.
- Develop effective staff development opportunities for a diverse leadership workforce.

Compensatory Education

Budget Accountability: Sheri Anderson,

Senior Manager

The mission of the Compensatory Education program is to provide support for schools with high populations of students eligible for the free portion of the Free and Reduced Meals (FARMS) program as well as those deemed as a system level priority in our efforts to Elevate All Students and Eliminate All Gaps. Elementary schools with 40% or higher (identified as either Title I School-wide, Title I Targeted Assistance, or county-funded Academic Achievement for All (AAA) schools), middle schools with 21% or higher, and high schools with 32% or higher populations of eligible students must complete a program plan tied to needs identified by their School Improvement Plan detailing staffing and funding support.

FY19 Budget Outcomes:

- Support the system's goals and the mandates of MSDE and the Every Student Succeeds Act.
- Provide resources to assist in eliminating the achievement gap between all student populations.
- Provide focused, sustained, and research-based supplemental instructional programs, professional development, and parent and family involvement initiatives.

• Seamlessly blend Title I and general operating funds where appropriate, to deliver a needs-based program specific to each school.

• Effectively manage the Title I program within federal guidelines and to ensure that all Title I schools are in compliance with the Every Student Succeeds Act.

Employee Benefits

Budget Accountability:

Jessica Cuches, Esq. Executive Director & Matthew Stanski, Director

It is the mission of the Division of Human Resources to provide Board of Education employees and their qualifying dependents with competitive benefits programs and services. Additionally, health care benefits programs are provided to retirees of the school system and their qualifying dependents. Benefits are paid from the Health Care Self-Insurance Fund as AACPS healthcare is fully self-insured. Our third-party administrator processes claims and invoices AACPS for actual claims paid on our behalf as well as an administrative fee. The AACPS Health Care Self-Insurance fund is maintained at a level sufficient to pay claims and administration fees, allowing for fluctuations and based on prior claims experience.

FY19 Budget Outcomes:

- Provide employees with competitive benefits programs and services and promote employee wellness.
- Identify, evaluate and recommend additional optional benefit programs. e.g. disability insurance, Employee Assistance Plan, etc.
- Identify, evaluate and recommend opportunities for cost savings to both employees and the district.
- Adhere to the terms and conditions of all Board of Education negotiated agreements, policies, and
- regulations regarding employee benefits; health insurance, life insurance, and tuition allowance.
- Adhere to regulations and laws governing employee benefits.

School Management

Budget Accountability:

Dawn Lucarelli, Ph.D. Associate Superintendent

It is the mission of the Office of School Performance to support the AACPS goals and indicators for academic achievement, safe and supportive learning environment, diverse, highly qualified workforce, community engagement, and sound, efficient, and effective business practices in order to accelerate the achievement of all students in the 77 elementary schools, 19 middle schools, 12 comprehensive high schools, two charter schools, two contract school, two centers for applied technology centers, one alternative school, three special education schools, one combination alternative and special education school, and three early childhood centers. The office also provides the leadership, support, resources, and monitoring necessary to manage schools and expand academic achievement.

FY19 Budget Outcomes:

- Eliminate the disparity in achievement among student groups and elevate all students.
- Increase access and equity to a rigorous course of study for all students.
- Successfully achieve mandates for all students on state assessments.
- Provide leadership, support and oversight to the faculty and staff.
- Development and implementation a well structured and aligned School Improvement Plan.
- Increase community awareness and participation in the school program.

Athletics & Extra Curricular Programs

Budget Accountability:

Clayton Culp, Coordinator

It is the mission of the Athletics & Extra Curricular Programs Office to provide an equitable and safe environment for student athletes to participate in a diversified interscholastic athletic program. We offer 25 varsity sports, most with a supporting junior varsity program. We also help schools manage all the extra-curricular and club programs in each elementary, middle and high school.

FY19 Budget Outcomes:

- Train and certify coaches to assure coaching competencies in the care of student athletes with regard to athletic injuries and CPR.
- Meet with all coaches pre-season to provide direction for county, state, and national policies.
- In-service athletic directors on current trends and policies in athletic administration.
- Ensure club sponsors are adequately qualified and certified.
- Account for and monitor the equitable disbursement of funds.
- Monitor the standards for equipment and facilities to provide a safe environment for student athletes to participate in sports.
- Maintain the ethical integrity of the program.
- · Centrally schedule all in-county contests and athletic trainers.
- Oversee both County and District V Championships.
- Establish and oversee the new Allied Interscholastic Programs.
- Oversee the Fitness & Equity Act for students with disabilities.

Assistant Superintendent for Student Support Services

Budget Accountability:

Sarah Egan, Assistant Superintendent

The Assistant Superintendent for Student Support Services is responsible for oversight of the following leadership positions: Executive Director of Alternative Education, Director of Safe and Orderly Schools, Director of Student Services, and Administrator for Student Leadership & Development. In addition, this division has become an integral part of a plan which supports the Superintendent's strategic initiatives as well as school improvement processes in all schools.

FY19 Budget Outcomes:

- Deliver comprehensive counseling, psychological, pupil personnel, social work services, and health services to schools.
- Build county wide student representation in the Chesapeake Regional Association of Student Councils (CRASC) and provide leadership opportunities for students to become involved in legislative lobbying and discussion of education and youth related issues at the local, county, and state level.
- Partner with school staff, families, and the community to support the success of each student.
- Build the capacity of the comprehensive schools to address barriers to student learning and eliminate gaps for all students.
- Expand alternative education options to serve the needs of students at-risk.
- Provide trauma team support to schools.
- Provide professional development and consultation for school-based staff on Code of Student Conduct application and investigation process.

Behavior Supports & Interventions

Budget Accountability:

Virginia Dolan, Ed.D. Coordinator

The mission of Positive Behavior Intervention Support (PBIS) is to provide a comprehensive continuum of supports and interventions to address barriers to student learning and facilitate pathways to high school graduation. The goal of PBIS is to increase positive school climate through evidence based behavioral practices and interventions which promote accelerated achievement in safe and supportive environments enhanced by active community and interagency collaboration.

FY19 Budget Outcomes:

- Improve student behavior through implementation of a multi-tiered system of support through Positive Behavior Intervention Support (PBIS) and the inclusion of Restorative Practices.
- Decrease rates of disproportional representation of students receiving discipline sanctions.
- Improve overall school climate to enhance student engagement and accelerate achievement.
- Decrease rates of student discipline referrals, suspensions, extended suspensions, and expulsions.

• Build staff capacity to build structures and support students through a continuum of evidence based interventions.

Charter & Contract Schools

Budget Accountability:

Patrick Crain, Senior Manager

The Department of Alternative Education is responsible for coordinating the development, implementation and evaluation of charter/contract schools in order to provide an alternative means within the public school system for innovative learning opportunities and creative educational approaches to improve the education of all students.

FY19 Budget Outcomes:

• Respond to inquiries associated with all charter/contract school stakeholders including potential applicants, interested parents, legislators, school board members, Maryland State Department of Eduction, senior and executive staff, and all other central office employees.

• Facilitate the application submission process to include receiving and responding to the charter school letter of intent and prospectus. Manage the application review and evaluation, applicant interview process and develop recommendations to the Superintendent and Board of Education for the approval/denial of the submitted application and Charter negotiations.

- Provide high quality educational options to over 2,500 students.
- Offer unique educational programs, expanding the AACPS programs of choice portfolio.

• Facilitate responsible oversight of charter/contract schools by ensuring that schools have both the autonomy to which they are entitled and the public accountability for which they are responsible.

• Implement an accountability system that generates all the information needed to determine whether a school is meeting the goals and standards articulated in its contract.

Student Services

Budget Accountability: Ryan Voegtlin, Director

It is the mission of the Division of Student Services to ensure student success by building upon students' strengths and talent, and by addressing students' needs through the efficient and effective delivery of student support services. The Division includes Pupil Personnel, Psychological Services, School Counseling, Health Services, and 504 Services.

FY19 Budget Outcomes:

- Coordinate the work of school counselors, school psychological services, school social workers, and pupil personnel workers to remove barriers to learning.
- Use data effectively to determine interventions to support the social/emotional and academic needs of students.
- Respond to traumas and other emergencies impacting the well-being of students and their families.
- Administer Student Services programs and services which promote a safe, healthy, nurturing, and academically stimulating learning environment for students and staff.
- Promote and support the continued use of data for program development, implementation, and evaluation.
- Partner with schools, families, and the community to support the success of each student.
- Partner with a variety of agencies, including the Department of Health.
- Serve as the system-wide lead related to 504 services.

Psychological Services

Budget Accountability: Kellie Anderson, Ph.D. Coordinator

The Psychological Services Office enhances instructional opportunities for all students by providing social/emotional and behavioral supports, consultation, intervention, counseling and individual assessment. These school-based diagnostic-prescriptive and mental health services enable students to develop intellectual and academic competence, positive social skills and behaviors and to regard themselves as effective learners. Psychological Services Office staff includes school psychologists, school social workers, and interns and practicum students from accredited graduate schools.

FY19 Budget Outcomes:

- Participate in the implementation of state-mandated coordinated Student Services programs to promote the opportunity for academic success for all students.
- Participate at all levels of the IEP and 504 processes to ensure that the educational program is designed to meet the child's individual needs. This includes offering expert testimony at due process hearings.
- Crisis prevention and response OPS staff take leadership roles in crisis prevention and response to traumas, threats, suicidal ideation and other crises as they arise.

• Provide school-wide and individual social/emotional/behavioral supports to students via direct and indirect services, participation in processes such as functional behavioral assessments and behavior intervention plans, individual and group counseling, social skills counseling, etc.

• Participation in school-wide teams, such as PBIS and CDM

• Provide training to staff on social/emotional/behavioral supports, mental health topics such as anxiety, depression and trauma-informed supports, etc.

Pupil Personnel

Budget Accountability: Laurietta Jones, Coordinator

It is the mission of the Pupil Personnel Office to promote safety, equity and academic achievement by building bridges between the home, the school and the community. Our vision is to motivate, prepare, and empower all students to become successful, contributing citizens. We strive to maximize student achievement by promoting excellence in school attendance and providing support for 504, Homeless enrollments, Kinship Care, Out of County Living Arrangements, Out of Area transfers, custody and increase opportunities for graduation.

FY19 Budget Outcomes:

- Manage services for all out of area transfers, 504, Out of County foster care children, Kinship care enrollments, and homeless students.
- Improve attendance rates by reducing the number of chronic truants and high school drop outs.
- Prepare and provide in-service to school staff as requested to address registration, custody and attendance concerns.
- Fund the residency verifier to assist pupil personnel workers with extensive residency investigations.
- Fund the application software for Lexis Nexis.

• Partner with outside agencies such as Juvenile Services, District Court, Department of Social Services, Department of Aging, Department of Health, Collaborative Supervision and Focused Enforcement (CSAFE) to assist with individual student cases.

• Fund and sustain truancy programs- the Responsible Actions Attendance Program, Step 2 Success -Truancy Intervention Program, Teen Truancy Court Program etc - as well as use existing resources in Anne Arundel County Public Schools.

School Counseling

Budget Accountability: Shirley Jackson-Avery, Coordinator (PreK-8) & Susan Love, Coordinator (9-12)

School Counseling is committed to providing services to eliminate the achievement gap by embracing the National Standards for School Counseling, which includes high levels of accountability and responsible use of data. A continued focus on leadership competencies and social justice principles provides the backdrop for professional development and targeted interventions. The School Counseling Office will provide on-going on-line opportunities to build leadership capacity and counseling skills that are relevant for the twenty-first century. Strategic school visits will offer reflective experiences for practicing school counselors as they strive for consistency, alignment with standards, and a shared vision of academic success.

FY19 Budget Outcomes:

One hundred percent of school counselors will implement Targeted Intervention Plans that are linked to student outcome data and system-wide goals. All Targeted Intervention Plans (TIPs) are intended to directly support the school improvement plan and the AACPS goal of eliminating the achievement gap. Selected goals have been pre-determined for each level across the system (increase the number of students participating in the SAT for each student group, build social emotional competency to improve academic success in grades Pre-K - 5, support the intentional foci on increasing success in mathematics for grades 6 - 8, improve ninth grade academic success while decreasing the ninth grade retention rate).
The School Counseling Office will actively collaborate with the Office of English Language Acquisition Services to support immigrant and English language learners (ELL) students and their families.

• Online courses will continue to meet the need for ongoing professional development that is targeted and aligned with the goals outlined by the School Counseling Office.

• The School Counseling Office will actively partner with other offices to identify current trends in student mental health needs and to develop resources for schools to access to meet those needs, particularly those of our youngest learners and our immigrant and ELL students and their families.

• One hundred percent of high school counselors will utilize Naviance for all students to meet goals linked to post-secondary plans with a focus on increasing parent awareness and use of Naviance.

Deputy Superintendent for Academics and Strategic Initiatives

Budget Accountability:

Maureen McMahon, Ph.D. Deputy Superintendent

The Deputy Superintendent for Academics and Strategic Initiatives works to accomplish the educational goals of the school community by developing, implementing, and maintaining curricular, instructional, and professional development programs that meet the needs of our students and educators. Through intelligent application of progressive instructional and management practices, the office directs the vision for Academics and Strategic Initiatives for the system and provides leadership to the Assistant Superintendent of Curriculum & Instruction; the Assistant Superintendent of Advanced Studies and Programs; the Executive Director of Professional Growth and Development; and the Director of Partnerships, Development and Marketing.

FY19 Budget Outcomes:

• Accelerate achievement for all students and minimize the achievement disparities among all groups of students.

• Analyze current instructional processes for effectiveness and alignment with the Common Core State Standards (CCSS).

• Expand community partnerships to promote accelerated achievement in a challenging school environment.

• Implement a structured system that will utilize the abundance of non-financial resources available within the community to support instructional activities.

• Develop effective staff development opportunities for a diverse leadership workforce.

• Monitor the performance of key division supervisors to ensure their efforts and results are aligned with the goals of the school system.

Initiatives

Partnerships, Development & Marketing

Budget Accountability: Carol A. McCurdy, Director

The mission of the Partnerships, Development & Marketing Office is to cultivate relationships that ultimately benefit students and to increase resources that address the goals of the school system. The Partnership, Development & Marketing Office supports the priorities of the school system in several areas: grant development, school & family partnerships, business & community partnerships, fundraising, marketing & outreach, employee recognitions, volunteer management, and support to the 21st Century Education Foundation.

FY19 Budget Outcomes:

- Expand relationships and build partnerships with local businesses and organizations.
- Provide grant development support, including additional grant training via webinars and expanded links to resources via the AACPS Intranet.
- Coordinate the collection of system-wide partnership reporting and support the school system through partnership development.

• Support the expanding programs and events of the 21st Century Education Foundation, including the Leadership Development Institute, the Business Leadership Breakfast with the Superintendent, and several fundraising efforts that raise money for school system needs.

• Ensure compliance with state and federal regulations for the 21st Century Education Foundation, a nonprofit 501(c)(3) organization.

• Support the recognition of outstanding employees by overseeing major employee recognition programs, including the Anne Arundel County Teacher of the Year Program.

School & Family Partnerships

Budget Accountability:

Teresa Tudor, Senior Manager

The School & Family Partnerships Office supports AACPS goals by encouraging collaborative relationships among families, community members and schools. The office's goals include: facilitating meaningful, two-way communication among stakeholders; developing, implementing and monitoring training for families to support student success; providing training and assistance to schools' family and community outreach efforts; and supporting and encouraging community partnerships. The office also provides support programs for language minority families. The communication between the school and parents whose first language is other than English is essential and handled through interpretation and translation services, International Student & Family Welcome Center (IWC) and Bilingual Facilitators.

FY19 Budget Outcomes:

• Encourage and support family and community involvement to ensure student success by coordinating the Superintendent's Parent Involvement Advisory Committee, and planning and implementing parent involvement conferences and workshops; and maintaining a School and Family Partnerships website.

• Provide training and support for schools' efforts to involve parents and families through initiatives such as: parent involvement newsletter and Parent Workshops to Go.

• Support initiatives that promote meaningful two-way communication between home and school, such as AACPS cable TV shows, Parent Connection, Parents' Corner, World View and Nuestra Comunidad.

• Provide training, support and recognition for effective volunteer programs in every school.

• Facilitate the development of the yearly school calendar and presenting the proposed calendar to the Board of Education for approval and develop the Parent Handbook and the Parent Wall Calendar.

• Work with DSS on the Back to School Program. Oversee the Backpack Buddies Program.

• Provide services for English language learners (ELL) students & their families, provide cultural sensitivity, maintain interpreter bank.

• Provide equitable registration assistance and system information for families through the IWC.

• Provide coordination of services for families new to the country and new to AACPS.

• Provide equitable parent access to school and system information, system events, and meetings through Interpretation and Translation Services.

Professional Growth & Development

Budget Accountability: Helen Mateosky,

Executive Director

Professional Growth & Development (PGD) supports continuous and focused learning for all employee groups to advance their professional capacity, serves as a school system professional learning network, and advances organizational learning to increase achievement for every student. PGD includes New Teacher Development and Support, Teacher Development, Teacher Leadership, Professional Development Schools Program, and Graduate Cohorts. Additionally, PGD provides professional learning consulting service to AACPS departments and school teams.

FY19 Budget Outcomes:

- Provide a variety of professional development opportunities for all employee groups to enhance job performance and increase ability to enable AACPS to eliminate achievement gaps.
- Use available data to ascertain professional development needs in order to design and offer specific opportunities to increase instructional capacity of teachers and administrators.
- Provide professional learning opportunities for teacher leaders.
- Increase leadership and professional learning opportunities for classroom teachers.

• Facilitate the coordination of system wide professional development efforts between all departments and ensure alignment to the AACPS goal and strategic initiatives.

• Increase the number and effectiveness of Professional Development Schools and graduate degree and certificate programs.

• Develop and support all new-to-the-profession teachers and experienced newly hired teachers through a planned program of focused professional learning opportunities that focus on on-boarding, induction, retention, accelerated teacher professional development/leadership, and student achievement, and that address the unique identified needs of new new teachers as indicated in COMAR 13A.07.0.

• Provide professional learning that is job-embedded, performance based, and meets individual growth needs of employees.

Assistant Superintendent for Curriculum & Instruction

Budget Accountability:

Michele Batten, Assistant Superintendent

It is the mission of the Division of Curriculum and Instruction (C&I) to support the AACPS Strategic Plan goals and indicators established to ensure that all of our students are well-prepared for college and the workforce and to empower them to create a better quality of life for themselves, their communities, and the next generation. We are committed to accelerating the achievement of all students and to eliminating achievement gaps. The Division provides the leadership and resources necessary for schools to build capacity for continuous growth and improvement in teaching and learning. *C&I* is comprised of the Curriculum, Instruction, Curriculum Assessments and Special Education offices.

FY19 Budget Outcomes:

• Increase the percentage of students who meet and exceed standards on national, state, and local assessments including the Partnerships for Assessment of Readiness for College & Careers (PARCC), High School Assessments (HSA), Maryland Integrated Science Assessment (MISA), Scholastic Aptitude Test (SAT), American College Test (ACT), Advanced Placement (AP), and district assessments.

• Design and implement a coherent framework for continuous improvement and increased academic achievement for all students.

• Design, implement, and monitor a model of innovative teaching and learning practices to ensure rigorous, relevant, and quality learning environments for students and educators.

• Accelerate the achievement of all students and eliminate academic achievement gaps evidenced by student performance data, improved instructional practices, and high quality curricula.

• Prepare all students for the rigor of post-secondary success in college, careers, and productivity in the community.

• Improve teaching through purposeful observation and feedback, evaluation of programs, and monitoring the quality of implementation of curriculum, instruction and assessment.

• Design, support implementation, and monitor high quality curricula, classroom instruction and assessments.

Curriculum

Budget Accountability: Walter R. Lee III, Director

The mission of the Department of Curriculum is to provide school based staff with digital curriculum, instruction, and assessment support, instructional resources, professional development, and program leadership. All students receive instruction that is academically rigorous, relevant to college and career readiness of the future, and promotes relationships in a culturally diverse 21st century world. Content areas include: Career and Technology Education, Business Education, Family & Consumer Science, Environmental Literacy and Outdoor Education, the Centers of Applied Technology, Elementary and Secondary Mathematics, as well as the Sciences.

FY19 Budget Outcomes:

- Support the system's goal of increased student achievement and the mandates of MSDE and the Every Student Succeeds Act.
- Elevate all students to eliminate the achievement gap between all student populations.
- Prepare all students for the rigor of high school and for post-secondary education success.
- Design assessments, curriculum, and instruction to meet the needs of all learners.
- Ensure the regular integration of appropriate, formative assessments into daily classroom instruction.
- Provide focused, sustained, and research-based professional development to support programs and initiatives.
- Use technology and multiple sources of data to improve classroom instruction.

• Improve instructional practices through the purposeful observation and evaluation of programs by monitoring the implementation of assessments, curriculum, and instruction.

• Engage community stakeholders in a shared responsibility for student and school success.

• Develop professional development to support Teachers, Principals, Coordinators, and Central Office staff to support the implementation of Maryland College and Career Readiness Standards while elevating all students.

Environmental Literacy & Outdoor Education

Budget Accountability: Melanie Parker, Ed.D. Coordinator

Our mission is to graduate students with knowledge, skills, and motivation to care for our natural world. This is a result of a system-wide, multi-disciplinary integration of the Maryland State Environmental Literacy Standards PreK-12 meeting the Maryland State Environmental Literacy graduation requirement. This is accomplished through providing environmental and outdoor field experiences, the development of an integrated interdisciplinary environmental literacy curriculum, supporting teachers in the classroom, and providing professional development.

FY19 Budget Outcomes:

- Support the system's goals of increased student achievement, safe and orderly schools, and community collaboration.
- Provide students with authentic outdoor environmental experiences that connects interdisciplinary classroom instruction to stewardship opportunities.
- To establish AACPS Environmental Literacy as a model program that supports statewide environmental education and leads the initiative to have every child outdoors every year.

• Support AACPS schools to become MAEOE Maryland Green School Certified and USDE Green Ribbon Schools.

Mathematics - Elementary

Budget Accountability:

Amanda Salveron, Coordinator

The mission of the Elementary Mathematics Office is to create and maintain the highest quality instructional program that ensures every student reaches a high level of academic achievement as determined by state and national standards. We are committed to a comprehensive system of support to ensure this outcome. The budget demonstrates a focus on increasing teacher capacity to differentiate instruction for all students using consistent instructional resources, curriculum documents, assessments and technology that are aligned to the Maryland College and Career Ready Standards.

FY19 Budget Outcomes:

- Deliver instructional support and provide professional learning opportunities for elementary mathematics classroom teachers, math lead teachers, Title I resource teachers, and administrators.
- Develop and implement curriculum and assessments in alignment with the Maryland College and Career Ready Standards.
- Provide instructional materials, support, and professional learning opportunities for differentiating instruction for all students using the Mathematics Continuum.
- Provide instructional materials, support, and professional learning opportunities focused on appropriate use of technology during mathematics instruction.

Mathematics - Secondary

Budget Accountability: Nicole Howard, Coordinator & Kevin Wajek, Coordinator

It is the mission of the Secondary Mathematics Office to provide appropriate instructional support for 19 middle schools, 12 high schools, one alternative school and one combination alternative and special education regional program to accelerate the mathematics achievement of all students in Grade 6 through Grade 12. The budget demonstrates a focus on increasing teacher capacity to differentiate instruction and implement the Maryland College and Career Ready Standards for all students using a standardized text and consistent instructional resources, curriculum, and assessments.

FY19 Budget Outcomes:

- Provide instructional materials, support, and professional learning for the implementation of the Maryland College and Career Ready Standards in the middle school mathematics program.
- Provide instructional materials, support, and professional learning for the implementation of the Maryland College and Career Ready Standards in the high school mathematics program.

• Provide instructional materials, support, and differentiated professional learning for teachers using the Mathematics Resource Support Plan.

• Create/revise and implement curriculum, instruction and assessments in alignment with the state national and international standards for Mathematics in Grades 6 through 12.

• Create/revise and implement curriculum, instruction and assessments in alignment with International Baccalaureate and Advanced Placement requirements in order to increase student achievement.

• Provide needed technology and instructional programs to support the accelerated and underachieving students.

Science

Budget Accountability: Valerie Wesner, Coordinator

The purpose of the Science Program is to advance student achievement in PreK-12 science and eliminate disparity in achievement among all student groups through implementation of system priorities to enhance teacher capacity and program development. The budget demonstrates a focus on maximizing science achievement and assisting schools in preparing students to demonstrate science knowledge on tests of academic achievement.

FY19 Budget Outcomes:

- Develop PreK-12 science curriculum aligned to the Next Generation Science Standards (NGSS) adopted by Maryland in June of 2014.
- Develop district assessments aligned to the new Maryland Integrated Science Assessment.
- To ensure a rigorous and relevant science program, revise courses to align with NGSS and support MISA.

• Provide professional development opportunities to support the needs of teachers as they implement the instructional shifts and increased rigor of NGSS and MISA.

- · Provide students with co-curricular science opportunities.
- Work with community partners to further science and engineering opportunities and achievement.
- Implement strategies to close the achievement gap between ESSA identified groups.
- · Implement science and engineering research opportunities in all science classes.

Instruction

Budget Accountability: Sharon Stratton, Director

The mission of the Department of Instruction is to provide school based staff with digital curriculum, instruction, and assessment support, instructional resources, professional development, and program leadership. All students receive instruction that is academically rigorous, relevant to college and career readiness of the future, and promotes relationships in a culturally diverse 21st century world. Content areas include: Digital Media, Early Childhood & School Readiness, English & Language Arts, English Language Acquisition, Elementary Reading, Social Studies, and World & Classical Languages.

FY19 Budget Outcomes:

- Provide teachers with updated curriculum documents which are aligned with the State Curriculum and Industry Standards.
- Support the system's goal of increased student achievement, compliance with MSDE regulations and the Every Student Succeeds Act.
- Elevating all students to eliminate the achievement gap between all student populations.
- Support high schools in increasing student performance through the implementation of career initiatives.
- Provide school faculties with professional staff development opportunities to improve student performance and achievement.

Digital Media & Learning Services

Budget Accountability:

Catherine Gillette, Coordinator

The mission of the Digital Media & Learning Services Office is to ensure that students and staff are effective users of ideas and information. Building level library media specialists, in partnership with teachers, provide instruction to students in information literacy, reading, communication and technology. Digital media resources provide students with meaningful and authentic learning experiences that promote student achievement and lifelong learning. Digital Media & Learning Services at the Central Office extends the building level library media program.

FY19 Budget Outcomes:

- Provide instruction in information literacy skills to foster competence and stimulate interest in reading, viewing and using information and ideas.
- Provide intellectual and physical access to materials and resources in all formats.
- Collaborate with other educators to design learning strategies to meet the needs of the individual students.
- Performs review and evaluations of printed materials used in the classroom and media centers.
- Provides resources for all AACPS staff to make presentation and informational materials to be used in the classroom.

Early Childhood & School Readiness

Budget Accountability:

Patricia Saynuk, Coordinator

Early Childhood and School Readiness Programs provide academic instruction to four and five year old children. The program curriculums are designed to provide each student with the skills and knowledge necessary to be successful in school. Both PreK and kindergarten programs focus on developing school readiness for all children in academic, social, behavior, fine arts, and physical health areas.

FY19 Budget Outcomes:

- Provide developmentally appropriate instruction that promotes school readiness and achievement for all children.
- Provide professional development opportunities that increase the capacity of early childhood teachers and paraprofessionals to provide rigorous instruction.
- Provide the materials necessary to establish high quality PreK and kindergarten learning environments.
- Partner with all programs that impact young children, both within the school system and county wide.
- Expand prekindergarten programs as needed to meet the requirements of Senate Bill 856 and COMAR.
- Provide parent education and family literacy opportunities.
- Furniture and materials for the expansion of PreK and kindergarten classrooms.

English & Language Arts - Middle School

Budget Accountability:

Mary Jordan, Coordinator

The Middle School English & Language Arts Office oversees and supports middle schools' Reading & Language Arts instruction based on the Maryland College and Career Readiness Standards for reading, writing, speaking, and listening that includes skills in academic vocabulary, word study, and grammar. Teachers help students build skills needed for academic and real world success using developmentally appropriate core instructional approaches, curriculum, assessments, interventions, and materials matched to a wide range of students.

FY19 Budget Outcomes:

• Deliver and monitor consistent, effective Reading and Language Arts programs county-wide to prepare all students for the rigors of high school and for post-high school success in informational and literary reading, writing, language, speaking, and listening.

• Provide research-based interventions in reading for identified middle and high school students.

• Utilize designated staff to support secondary schools' literacy goals with materials; professional development; student evaluation and identification; articulation among elementary, middle, and high schools; and collaborative instructional planning.

• Collaborate with teachers of all content areas to support student expertise in integrated literacy including reading informational materials, developing academic vocabulary, and writing.

• Review and revise curriculum for alignment with the Maryland Common Core Curriculum Framework.

English & Language Arts - High School

Budget Accountability:

Alison Delaney Coordinator

The High School English Office develops, supports, and evaluates high school English instruction based on the AACPS High School English Curriculum that is aligned to the Common Core Standards for reading, writing, speaking, listening, and the journalism and theatre curriculum. The High School English Office provides leadership and staff development for teachers and administrators; and produces showcases, conferences, and opportunities for publications and performances that encourage all students to perform at the highest levels of achievement as measured by county, state, and national goals, evaluations, and competitions.

FY19 Budget Outcomes:

• Create, monitor, and refine curriculum in English (grades 9-12) to encourage every student to attain high levels of academic achievement; to increase student performance on assessments including PARCC, PSAT, AP, IB, ACT, SAT, and Accuplacer; and to prepare all students for success in academic and career pursuits beyond high school.

- Review and continue to refine curriculum for alignment with the Common Core Standards for English.
- Develop and/or refine English elective curricula, including film, theatre, and speech and debate

• Provide professional development for teachers, school administrators, and central office personnel to increase capacity in English and reading content knowledge, curriculum implementation, instructional strategies, design of assessments and use of assessment data, and differentiation.

• Implement, support (including coaching and professional development), provide resources for and monitor Read 180, a nationally proven and technologically, data-driven intervention program for struggling 9th and 10th grade readers in 12 high schools and 2 special centers.

• Develop program initiatives that encourage participation in national and local writing and theatrical performance competitions.

• Maintain community outreach and professional partnerships that impact instruction and raise performance standards.

English Language Acquisition

Budget Accountability:

Shelley Hartford, Coordinator

The English Language Acquisition (ELA) program supports an asset-based approach to language instruction which guides the development of linguistically diverse students as bi-literate participants in global society. The ELA program creates access and opportunity for students through the provision of academic, linguistic and social support to English learners and their families. The ELA program supports staff professional development in order to ensure equitable, appropriate and inclusive educational practices for English learners.

FY19 Budget Outcomes:

- Implement curriculum to support the linguistic assets and academic development of English learners.
- Administer WiDA ACCESS English proficiency assessments to measure growth in English language proficiency.
- Provide English Learners with equitable access to academic programs.
- Provide a specialized program for secondary newcomer English learners with interrupted education.
- Provide support to English learners through linguistically appropriate interventions and instructional supports
- Provide high quality professional learning for school staff preparing English learners for success with the Common Core and on statewide assessments.
- Monitor compliance with federal guidance and state regulations.
- Provide coordination of services for families new to the country and new to AACPS.

Reading - Elementary

Budget Accountability:

Jane Friend, Coordinator

The Elementary Reading Office oversees and provides instructional support to 77 elementary schools and three early childhood education centers based on the Maryland State Curriculum for reading, writing, speaking, and listening. The Elementary Reading office regularly collaborates with Early Childhood & School Readiness, English Language Acquisition, Advanced Learner Programs, Health, Special Education, Environmental Literacy & Outdoor Education and the Office of School Performance to provide a cohesive program for all AACPS students. The budget and program philosophy support the AACPS Strategic Goals for Academic Achievement. Reading/Language Arts skills and strategies permeate all content areas to promote the success of all students.

FY19 Budget Outcomes:

•Plan, coordinate, and deliver a series of professional development sessions throughout the year with the goal of building teacher effectiveness in the delivery of differentiated literacy instruction.

• Implement and deliver an effective and comprehensive reading/language arts program to support the AACPS academic achievement goals, Common Core State Standards, and the mandates of the Every Student Succeeds Act.

• Evaluate Field Test items in order to construct new AACPS Quarterly Assessments for grades 3-5.

• Ensure interventions are matched to student need and monitor student progress using a variety of tools (program progress monitoring, benchmark assessments, formative assessments, etc).

- Provide ongoing professional development and guidance for reading teachers county-wide.
- Develop curriculum documents to support an effective implementation and to model effective instruction.

Social Studies

Budget Accountability: Eve Case,

Coordinator

It is the mission of the Social Studies Office to prepare students for effective citizenship. Achievement of this mission is demonstrated through district assessments and classroom measurements of progress on the Maryland State Curriculum, and through participation and performance in advanced courses and co-curricular activities at the elementary, middle and high school levels.

FY19 Budget Outcomes:

- Develop curriculum, instruction, and assessment materials for PreK-12.
- Provide professional development to teachers and administrators.
- Identify exemplary materials to support the AACPS academic achievement goal.
- Provide direct assistance to principals and teachers in setting school-based goals, implementing new strategies, interpreting instructional data, and recommending methods to improve the delivery of social studies.

• Increase achievement on assessments including the Advanced Placement, International Baccalaureate and district assessments.

- Develop program initiatives and ensure co-curricular competition at a high level.
- Monitor the Social Studies program in each school and provide feedback.
- Increase collaboration with business, community and civic groups to provide learning opportunities for students and teachers alike.

• Developing curriculum to be rich in many primary and varied secondary sources that are generated from on-line resources as opposed to the traditional textbook.

World & Classical Languages

Budget Accountability:

Eugene Summers Coordinator

It is the mission of the World & Classical Languages Office to provide opportunities for all students to become linguistically and culturally proficient in one or more World or Classical languages and to coordinate resources to promote student achievement through best teaching practices.

FY19 Budget Outcomes:

- Identify single texts and appropriate authentic resources for use in World & Classical language classrooms to ensure consistency of instructional delivery.
- Create and implement curriculum alignment documents, authentic resources, and assessments that align with state and national standards.

• Develop and administer quarterly assessments county-wide to determine student achievement of World Language Content Standards.

• Assist various Anne Arundel County schools and content offices in developing and offering high quality World & Classical language experiences for their students.

• Support the increased World Language presence in the middle school schedule as well as in various magnet schools and programs of choice.

• Provide targeted, sustainable high quality Professional Development, coaching, and mentoring support to all new World Languages teachers as well as diverse Professional Development opportunities for all World and Classical Languages teachers.

• Continue to develop emerging language programs such as Chinese, Arabic, and American Sign Language at various middle and high schools.

• Explore infusion of technology for all teachers in supporting instructional delivery of world languages.

Curriculum Assessments

Budget Accountability: Shannon Pugh, Manager

The Curriculum Assessments Office assists teachers and content coordinators in the development of and analysis of all curriculum-based assessments, including those aligned to national (Advanced Placements (AP), the Partnerships for Assessment of Readiness for College and Careers (PARCC)), state (Maryland Integrated Science Assessment (MISA) and Government High School Assessment (HSA)), and industry assessments. The office provides additional support for teachers and content offices in the development and use of performance-based assessments, including projects, presentations, portfolios, and performances. The office also is responsible for oversight of the Dance, Health, Music, Physical Education, and Visual Arts programs.

FY19 Budget Outcomes:

•Collaborate with teachers, administrators, and all curriculum departments in the development and management of curriculum-based assessments to ensure alignment between assessments, curriculum, and instruction.

• Make recommendations for the quantity and type of assessments to be given to students, including performance-based assessments.

• Work closely with the Advanced Studies & Programs, including AP, International Baccalaureate (IB), and Magnet offices to ensure alignment of curriculum development and national and performance-based assessments.

· Assist curriculum coordinators with curriculum development.

• Work closely with the Instructional Data Division to monitor results of assessments and standardized testing.

Health, Physical Education & Dance

Budget Accountability:

Christiana Walsh, Coordinator

The Health, Physical Education & Dance Office coordinates the PreK-12 instruction and operation of program areas by administering policies, procedures, and curricula for the benefit of students, teachers, and other members of the learning community. The budget and program philosophy supports the attitude that a better quality of life can exist if the basic premise of skill acquisition, knowledge, wellness, and fitness maintenance becomes an integral facet of one's daily lifestyle.

FY19 Budget Outcomes:

- Promote high academic and physical achievement in the program areas.
- Increase and maintain appropriate levels of fitness/wellness to improve student health and student learning with our Fitness assessment and tracking software.
- Incorporate the National and Maryland State Physical Education, Health Education and Dance Education Standards.
- Support the system's goals for increased student achievement, safe and orderly schools, and community collaboration.
- Support the system's goals for Elevating All Students among all groups.
- Encourage students, families and community members to pursue activities that lead to active and healthy lives.

Music

Budget Accountability: David F. Kauffman, Coordinator

The Music Office provides a variety of rich musical experiences for students in grades PreK-12 by coordinating the instruction and operation of the program areas and by administering policies, procedures, and curriculum for the benefit of students, teachers, and other members of the learning community. The budget and program philosophy support the music program's vision to cultivate lifelong learners, creators, and consumers of music.

FY19 Budget Outcomes:

- Support the system's goal of elevating all students among all populations and the mandates of MSDE and the Every Student Succeeds Act.
- Design and support high quality curricula, classroom instruction and assessments that align with state and national music standards.
- Provide professional development to teachers and administrators.
- · Identify and develop additional access points to music for students.
- Engage community stakeholders and expand business partnerships towards greater student and school success.

• Provide students with co-curricular music opportunities through All-County, All-State, Baltimore Symphony Orchestra Side-by-Side, and Summer Music Camps.

• Monitor, evaluate, and repair music materials and equipment, and provide educational specifications and purchasing guidelines.

•Continue the evolution of our assessment and festival program to ensure that student and teacher feedback helps to provide quality and relevant musical experiences for participants.

Visual Arts

Budget Accountability: Eleni Dykstra,

Coordinator

The mission of the Visual Arts Program of AACPS is to provide sequential, quality art education experiences for each child in grades PreK-12. Students have the opportunity to develop their fullest capabilities, to demonstrate cognitive and artistic growth, and to advance according to identified expectancies at different instructional levels.

FY19 Budget Outcomes:

• Provide a comprehensive program of in-service instruction for all visual art teachers that includes studio processes, classroom management, theory application, and Advanced Placement, International Baccalaureate, Signature, STEM and other programs of choice.

• Develop, revise, and implement curriculum that aligns with the National Core Arts Standards.

• Coordinate the exhibition of student artworks at locations throughout the county and in statewide presentations to promote public awareness of school visual art programs.

• Support arts integration model which infuses the fine arts across all aspects of learning.

• Implement an advanced visual arts middle school program at the Performing and Visual Arts Magnet School at Wiley H. Bates and Brooklyn Park Middle Schools and Annapolis and Broadneck High Schools.

• Support the system's goals in the AACPS Bridge to Excellence Master Plan.

Special Education

Budget Accountability:

Bobbi Pedrick, Director

The Division of Special Education provides oversight, supervision and direction in the delivery of special education and related services for students with disabilities. These services are designed to reflect the commitment to one system of quality education and equity for all students. Provision of special education services is a joint effort among general and special educators, working collaboratively to ensure educational opportunities that recognize the potential of all students while maximizing results. In addition, general and special educators work cooperatively with parents and all stakeholders to support a seamless specialized instruction model in the least restrictive environment (LRE).

FY19 Budget Outcomes:

• Ensure full compliance with federal and state regulations in the provision of a high quality educational program for students with disabilities and those attending Title I and AAA schools.

• Ensure that all students with disabilities from birth through age 21 have available to them a free, appropriate public education (FAPE), which includes special education and related services to meet their unique needs.

• Ensure the provision of a full range of educational opportunities that are offered in the least restrictive environment (LRE) for each student while ensuring the rights of students with disabilities and their parents are protected.

• Ensure continuous improvement and program monitoring on effectiveness based on performance outcomes of students.

• Ensure professional learning is available annually to build teacher and leader capacity to meet the unique needs of students with disabilities through a presumed competency lens (UDL, DI, Integrated technology, specialized instruction, transdisciplinary programming, coaching, etc.)

| Professional and Support Salaries: | Salary costs for permanent positions assigned to the area. |
|------------------------------------|--|
| Other Salaries & Wages: | Wages such as teacher stipends, teacher training, substitutes, overtime, and temporary instructional assistants. |
| Contracted Services: | Services performed by non-employees, companies or outside agencies such as consultants, repair and maintenance services, leased equipment, and non-public tuition. |
| Supplies & Materials: | Consumable supplies such as paper, textbooks, workbooks, library materials, and small equipment-like items (sensitive items having a value less than \$5,000). |
| Other Costs: | Other costs not classified elsewhere, such as professional development, mileage reimbursements and tuition allowances. |
| Equipment: | Large equipment purchases having a per unit value greater than \$5,000. |

PreK-12 Advanced Learning

Budget Accountability:

Don Counts, Coordinator

The responsibility of the PreK-12 Advanced Learning Office is the planning, development, implementation and evaluation of curricular and co-curricular programs. This includes the Advanced Placement (AP), Primary Talent Development (PTD), Advanced Learner Programs (ALPs) and Co-Curricular Program learning provisions. The mission is to accelerate achievement for every student and eliminate the achievement disparities among all groups of students, while providing enhanced opportunities for the advanced learner.

FY19 Budget Outcomes:

- Coordinated and innovative Advanced Learning continuum that meets the diverse needs of county students.
- PreK-12th grade accelerated learning efforts that are vertical.
- Intentional focus on the elimination of opportunity gaps.
- Regular monitoring of results and evolution of curricular/co-curricular offerings and preparation to engage in rigorous/specialized coursework (e.g. Magnets).

Advanced Learner Programs

Budget Accountability:

Don Counts, Coordinator

The purpose of the Advanced Learner Programs (ALPs) Office is to engage all students in grades PreK-8 in the learning and application of concepts and skills at levels of greater depth and complexity.

The goals of ALPs are to provide:

- All students with increased opportunities for advanced instruction.

- Learners with daily instruction in curriculum designed specifically for highly advanced students.

FY19 Budget Outcomes:

- Support Anne Arundel County Public Schools' goals to maximize student achievement for all students specifically those already performing at the advanced level of achievement.
- Expand online and hybrid professional development opportunities, including Microcredentials, for PreK-8 teachers in advanced learner education as a means to closing achievement and advanced learner gaps.
- Support county-wide implementation of MSDE Primary Talent Development Program grade PreK-2.

• Support full implementation of Advanced Learner Programs (grades 3-5) including a minimum of one hour daily instruction with advanced curriculum in mathematics and/or language arts, and increased exploratory opportunities for all students in all county elementary schools.

• Support the Advanced Learner Programs Differentiated Advanced Learning Initiative (DALI) during its system-wide roll-out (grade 6) and continued pilot (grades 7-8). Activities include participation in advanced curricular exploration (depth and complexity) in mathematics and/or language arts, and engagement in pedagogical investigations through differentiated instruction in the advanced learning classroom.

• Approve new advanced novels and publish teaching guides with on-line resources for approved novels.

• Lead county Gifted and Talented Identification for Anne Arundel County Public Schools in second and fifth grades and EGATE designation applications with MSDE.

Advanced Placement

Budget Accountability: Virginia Fernandez Milosvich, Teacher Specialist

It is the mission of the Advanced Placement (AP) Office to accelerate achievement for every student and eliminate the achievement disparities among all student groups. Through the facilitation of the College Board Partnership and implementation of vertical teams, students have the opportunity to increase the rigor of their curriculum by enrolling in Honors or Advanced Placement classes. This budget also supports the implementation of the PSAT/NMSQT, in particular for 11th grade students to support Merit Scholar recognitions.

FY19 Budget Outcomes:

- Increase student participation in higher-level and Advanced Placement courses in all subject areas for all groups of students.
- Eliminate achievement gaps across student groups in AP course enrollment, AP exam participation, and AP exam performance.

• Increase teacher efficacy and student performance through ongoing professional development (series and cohort); included customized EOC conferences.

• Collaboration among the Advanced Studies and Programs Division, teachers, administrators, and the Office of School Performance to ensure rubric and concept calendar integration in instruction.

· Assistance with mock assessments and peer reviews.

• Increase student access to, and use of, all available test preparation materials and resources to improve achievement on the PSAT, SAT, ACT and AP exams.

College entrance test support.

Co-Curricular Programs

Budget Accountability: Elizabeth Elder, Specialist

The Co-Curricular Program Office in Anne Arundel County Public Schools offers a broad spectrum of learning experiences outside of the traditional classroom for elementary, middle, and high school students. It is intended to complement, broaden and provide a practical application of the knowledge students receive in regular classes and afford every child the opportunity to participate in activities for which they have a passion for and enjoy. Additionally, the Co-Curricular Program Office is a link between the Anne Arundel County Public School System and the community atlarge as it offers Adjunct Programs, Academic Competitions, and Advanced Clubs and Activities.

FY19 Budget Outcomes:

Adjunct Programs-Adjunct programs augment the instructional program outside the regular school day for a diverse group of learners with varied interests. They provide an enriching complement to a student's regular education experience. Anne Arundel County Public Schools is fortunate to have strong partnerships with organizations in the community that comprise unparalleled resources, including the U.S. Naval Academy, the National Security Agency, the National Electronics Museum, Northrup Grumman, Anne Arundel Community College, St. John's College, and Maryland Hall for the Creative Arts.
Academic Competitions-These are a multitude of academic challenges at local, state, and national levels in which schools may elect to participate. (Some levels are based upon winning competitions at lesser levels before moving to the state or nationals.) The Advanced Co-Curricular Programs Office supports selected academic competitions for elementary, middle and high schools.

• Advanced Clubs and Activities- These are challenging or enriching clubs or activities for students and/or families with special interests. Some activities are held during the school day (extensions of the school day) or during the weekends while others take place in the summer. They include face-to-face contact, on-line engagement, requiring remote access, or a hybird model. Advanced clubs/activities also promote experiences for students that enhance access to rigorous learning and/or eligibility for Magnet participation.

Enhancing Elementary Excellence

Budget Accountability:

Kris Hanks, Specialist

Triple E is an AACPS Elementary School initiative that promotes student engagement and team collaboration through hands-on exploration. Within a student-led, project-based learning instructional platform, students begin to take ownership for learning. The result is transdisciplinary connections to life.

FY19 Budget Outcomes:

• Implementation of an additional elementary Cultural Arts class in identified clusters that promote reflective thinkers and problem solvers through one of four themes:

• STEM in Society – This theme creates an environment that allows students to study challenging and meaningful questions. Students take risks, explore new ideas and become problem-solvers and innovators

• Global Studies – This theme offers an interdisciplinary perspective that connects students to the world around them. Students develop a sense a responsibility as global citizens; caring about issues, assessing perspectives, and reflecting on world connections

• Arts & Humanities – This theme explores how people process and record the human need to respond to life through the arts and literature. Students are nurtured through qualities of intelligence and imagination. Exploration is made through dance, music, theatre, and visual arts

• World Cultures and Language – In PYP schools, students engage in inter-related questions, studentcentered, problem-oriented inquiry learning that recognizes the whole child. In the Triple E classroom a passion for German, French, Spanish, Italian, etc. is ignited through the study of culture and language.

• Provision of an additional collaborative planning period for elementary teachers which is critical for accelerated learning and academic/opportunity gap elimination.

Instructional Technology

Budget Accountability: Stephanie Kelly, Senior Manager

Anne Arundel County Public Schools' Instructional Technology Office (OIT) supports student achievement through the integration of rich technology resources into curriculum and instruction. The use of technology, and the digital content it provides, creates challenging and dynamic learning environments that engage and motivate students. Such resources enable students to gain a deeper and more thorough understanding of content while developing 21st Century skills of digital-age literacy, inventive thinking, and effective communication.

FY19 Budget Outcomes:

- Provides professional development to administrators, teachers, and parents that include technologyrelated resources which are authentic, learner centered, differentiated, engaging, and challenging.
- Provides support and guidance as Anne Arundel County Public Schools expands distance and online learning opportunities for both students and staff.
- Supports the e-Coach program who serve as the school's contact with the OIT office.
- Maintains open communication with assigned Resource Teachers while providing on-site support for teachers as it relates to the instructional process and the school improvement plan.
- · Collects and analyzes data.

• Serves as the liaison among curriculum offices, schools, parents, and Institutes for Higher Education as they relate to technology integration, distance and online learning.

- Provides oversight to the county's Digital Learning Centers and virtual learning environments.
- Promotes global collaboration and communication through the use of various electronic applications.

• Promotes Digital Citizenship by developing curriculum lessons designed to be delivered through Social Studies classes in K-8 and Health classes in the high schools.

- Develops and delivers hybrid, traditional, and online professional development courses.
- Participates in the evaluation of new technology related devices and equipment.
- Provides professional development and instructional support for piloted and adopted technologies.

Signature Programs

Budget Accountability: Richard Burger, Specialist

The Signature Programs Office brings together educators with local business and community leaders to make classroom instruction relevant, interesting, and challenging for HS students with opportunities that connect to the 21st century workplace. Specifically, the Signature Programs Office supports the development/implementation of unique thematic courses and co-curricular opportunities that are workforce relevant. They include technical, community college and 4-year college pathways established via student, school and community partnerships. These programs align with AACPS goals to elevate all students by providing all students with access to rigorous coursework.

FY19 Budget Outcomes:

Engage with community business and industry partners to enhance workforce relevant curricular and cocurricular opportunities and experiences for students, teachers and families within Anne Arundel County.
Continue/expand partnership with Anne Arundel Community College to increase opportunities for Signature-related post-secondary course offerings for high school students through site-based ECAP for gainful employment, workforce certificates, and/or transfer degree credit earning programs.

• Continue to support all Signature programs in their movement to school-wide implementation at all AACPS comprehensive High Schools with a "Green Standard".

• Continue to provide Signature Program Facilitators/Lead Teachers professional development to align each Signature with AACPS goals and initiatives.

Collect data/progress monitor results from all Signature Programs to document the success of Signature programs goals (as aligned to the Strategic Plan, eliminating gaps/accelerating the learning of all).
Continue to provide international study experiences through an established relationship with the University of Maryland's Kiplin Hall facility located in Yorkshire, England and the Vesuvian Institute in

Naples (as well as distant locations within the US that support College and Career Readiness; Silicon Valley, CA)

Advanced Studies & Programs

Budget Accountability:

Vacant, Director

The Division of Advanced Studies & Programs is responsible for coordinating the planning, development, implementation, and evaluation of curricular and co-curricular advanced studies & programs. The mission is to educate all of our students to be well-prepared for college and the workforce through the provision of challenging, engaging, and rigorous opportunities. While the Assistant Superintendent provides direct oversight for the Division, the Director directs and supervises the following offices, Magnets: PVA, STEM, IB, the Magnet application/lottery process, and JROTC.

FY19 Budget Outcomes:

- Implement/Evaluate advanced learning programs (of direct reports) in the promotion of access, equity and excellence.
- Build teacher capacity (content, pedagogy and instructional frameworks) in all Division programs.
- Create parent partnerships in the provision of advanced and extended learning opportunities that promote concept/standard mastery, relevancy, and application.
- Lead the Magnet Programs of Choice development efforts across the county.
- Support the system's goal of increased student achievement and the mandates of MSDE and the Every Student Succeeds Act (ESSA).
- Focus on eliminating the achievement and opportunity gaps between all student populations while advancing accelerated learning of all.
- Support compliance of College & Career Readiness Standards (CCRS) and COMAR in advanced coursework through a Universal Design for Learning (UDL) framework.
- · Continue to ensure fidelity of program of choice implementation.

Performing & Visual Arts

Budget Accountability:

Jeffrey Harrison, Senior Manger

The Performing & Visual Arts (PVA) Office at AACPS offers a suite of academic and co-curricular offerings for students during the academic year and summer months to enrich and enhance learning, build PVA career awareness and engage students in challenging PVA-related projects, performances, and events. The main focal areas of the budget are to support the Wiley H. Bates Middle & Brooklyn Park Middle School PVA programs servicing students in grades 6-8, the PVA Magnet High Schools at Annapolis & Broadneck High Schools and full utilization of the PVA space at Studio 39.

FY19 Budget Outcomes:

• Ensure fidelity with PVA program elements: student engagement, teacher quality, artist-in-residence opportunities, field trips, performances, exhibits, facilities and resources, and PVA magnet middle and high school curricular and co-curricular options.

• Continue to support the goals of elevating all students through expansion of PVA program recruiting and preparation of underrepresented (feeder specific) and culturally diverse students for participation in the PVA programs.

• Continue to support the implementation of two PVA magnet middle schools within AACPS at Wiley H. Bates and Brooklyn Park Middle Schools.

• Continue to design and implement co-curricular opportunities for middle school students at Wiley H. Bates and Brooklyn Park Middle Schools

• Continue to support the implementation of the PVA Magnet High School program located at Annapolis and Broadneck High Schools, including use of studio and theater space at Studio 39. The focus is the creation of art with a recognition for what they do with it, whom it touches and how far it reaches.

• Continue to engage with community partners to enhance PVA opportunities for teachers, students and families within Anne Arundel County.

STEM—Science, Technology, Engineering & Mathematics

Budget Accountability: Kristina Gillmeister, Ph.D.

Coordinator

The Science, Technology, Engineering and Mathematics (STEM) Office at AACPS offers suites of STEM academic and co-curricular offerings for PreK-12 students during the academic year and summer months to enrich and enhance learning, build STEM career awareness and engage students in challenging STEM-related projects and events. Within the STEM Office, there are two main focal areas. One area targets all AACPS students for possible engagement in the K-12 co-curricular STEM opportunities. The second area focuses on the building and implementation of the new STEM initiatives across all grade levels (e.g. supporting Triple E, creation of a mobile lab, and MS/HS Magnets). It is also important to note this budget recognizes Glen Burnie HS BMAH as a subset of STEM.

FY19 Budget Outcomes:

- Implementation of STEM Programs of Choice at MS and HS
- Continue to monitor/increase the diversity of students completing the application process for the STEM magnet schools.
- Continue to plan, design and implement co-curricular opportunities for elementary and secondary students across AACPS.

• Continue to engage with community partners to enhance STEM opportunities for teachers, students and families within Anne Arundel County.

- Implementation of a STEM student ambassador program with Magnet Advisory.
- Continue to evolve STEM in Society transdisciplinary seeds to promote Triple E options across the county.
- Planning/implementation of enhanced elementary learning experiences.

• Continue to build educator and leader awareness of STEM, NextGen Standards through targeted and innovative professional learning opportunities (including collaborations with the Science Office)

| Professional and Support Salaries: | Salary costs for permanent positions assigned to the area. |

Strategic Initiatives

Budget Accountability:

Sheila McEwan, Senior Manager

The Division of Advanced Studies & Programs is responsible for coordinating the planning, development, implementation, and evaluation of curricular and co-curricular advanced studies & programs. The mission is to educate all of our students to be well-prepared for college and the workforce through the provision of challenging, engaging, and rigorous opportunities. While the Assistant Superintendent provides direct oversight for the Division, the Senior Manager of Strategic Initiatives directs/supervises the offices of AVID, Service Learning Mentorship, and Collaborative Decision Making.

FY19 Budget Outcomes:

- Implement/Evaluate advanced learning programs (direct reports) in the promotion of access, equity and excellence.
- Build teacher capacity (content, pedagogy and instructional frameworks) in all Division programs.
- Create parent partnerships in the provision of advanced and extended learning opportunities that promote concept/standard mastery, relevancy, and application.

• Support the system's goal of increased student achievement and the mandates of MSDE and the Every Student Succeeds Act (ESSA).

• Focus on eliminating the achievement and opportunity gaps between all student populations while advancing accelerated learning of all.

• Support compliance of College & Career Readiness Standards (CCRS) and COMAR in advanced coursework through a Universal Design for Learning (UDL) framework.

• Target College & Career Readiness efforts; including expanding AVID.

AVID—Advancement Via Individual Determination

Budget Accountability:

Dorothy Arida, Coordinator

The Academic Support Office is responsible for coordinating the planning, development, implementation, and evaluation of the Advancement Via Individual Determination program (AVID). AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society. AVID is an accelerated academic program that prepares students "in the academic middle" for rigorous courses of study by providing a strong, relevant writing and reading curriculum, study skills, assistance with organization and time management, and tutoring.

FY19 Budget Outcomes:

NNE Rundel

- Support of the AVID program in 19 middle and 12 high schools; including two school-wide HS implementation sites and our National Demonstration School.
- Support the inclusion of AVID strategies into the elementary curriculum; including the eight elementary schools feeding into Glen Burnie High School creating a cluster model.
- Integration of AVID strategies into the county's new e-Executive Functioning toolkit.
- Integration and monitoring of AVID structures at the school level (including its use as a lever for EOC).
- Scheduling, planning, and implementation of professional development for AVID program teachers as required by AVID Center.
- Planning and implementation of an annual Student-led Conference.
- Increased county-wide awareness of the AVID program and its role in academic acceleration/gap reduction of all student groups (facilitation of annual certification review).
- Assurance of AVID Center certification portfolio compliance.
- · Coordination of college and career readiness activities; including college experiences.

| Other Salaries & Wages: | Stipends for teacher training (Evening PD), AVID Summer Academy, Afterschool planning sessions, and substitute payment for classroom coverage. |

Communications

Budget Accountability: Bob Mosier, Chief Communications

Chief Communications Officer

The Communications Office is committed to presenting AACPS as a school system where: children come first; employees are valued; progressive, competitive, and innovative initiatives aid in success; and instructional programs are challenging and data-driven. These messages are communicated through various vehicles including, but not limited to, interaction with the local media, AACPS' Web site and social media pages, cable television programming, public engagement, signage, and special publications. The Chief Communications Officer is responsible for the oversight of the Communications Office, Legislative & Policy Office, and Design & Print Services.

FY19 Budget Outcomes:

• To continue to enhance a communications effort aimed at supporting collaborative communication, consistent with our goal of community collaboration.

• To promote the school system's goals and to accurately and clearly communicate the challenges associated with them as well as our progress in achieving them.

• To provide timely, accurate, and fact-based information – both internally and externally – that will foster and promote dialogue that is essential for success.

• To highlight the accomplishments of the school system and its students through the vehicles described above.

Design & Print Services

Budget Accountability: Steven Grey, Director

The Department of Design & Print Services provides AACPS with four essential functions: Document and Publication Design, Photography and Display Services, In-House Printing and Quick Copy, and Video Production & Broadcasting. These services work together to provide highly creative, innovative, and cost-effective solutions to our school system's needs and goals. Our overall goal is to provide quality products which support students, staff, teachers, and community alike. Design & Print Services works to develop, maintain, and enhance the image and reputation of AACPS by communicating consistent, integrated messages across all media.

FY19 Budget Outcomes:

- To provide integrated services across all media with a focus on enhancing instruction and supporting students, staff, teachers, and community.
- To efficiently support the school system with quality printing and publication design.
- To develop high quality digital publications and interactive forms for employees and parents.
- To assist the school system with design/photo/display services for presentation, marketing/imaging.

• To work with principals to develop large format graphics to enhance positive learning environments and a welcoming atmosphere in schools.

• To promote the school system successes through presentations, publications, and TV and web broadcast for community awareness.

• To provide live, high definition, broadcasting of Board of Education meetings on AACPS Educational Cable channels through Comcast, Broadstripe, and Verizon.

• To provide high quality programming in HD, on our AACPS-TV Cable channels, on the schools system's YouTube channel, and on our website.

• To work with the Department of Instruction to develop innovative and alternative methods of delivering Professional Development and instruction.

• To broaden our abilities and reach in the areas of live broadcasting and webcasting.

Legislative & Policy

Budget Accountability:

Jeanette Ortiz, Esq. Legislative & Policy Counsel

The Legislative & Policy Office represents the Board of Education and Anne Arundel County Public Schools regarding legislative matters that may affect education law and policy, or the operations of the school system. This includes analyzing proposed legislation brought before the state legislature, collaborating with state legislators and policy makers, and coordinating communications between school staff, elected officials, community leaders, businesses and the general public. This office is also responsible for the preparation, revision and maintenance of the policies and regulations adopted by the Board of Education and the Superintendent, respectively.

FY19 Budget Outcomes:

- To provide guidance, support, and advice to the Board of Education, Superintendent of Schools, and Executive Team members regarding proposed legislation at both the state and local level.
- To be an advocate for Anne Arundel Public Schools in legislative matters.
- To strengthen relationships between school system employees and state and local leaders.
- To continue the development and revision of Board of Education policies and accompanying Superintendent regulations to ensure alignment with AACPS' goals as well as compliance with federal and state laws and regulations.

• Maintain effective communication between the Board of Education, Superintendent, school system staff, elected officials, community and business leaders, and all other school system stakeholders regarding AACPS policies and regulations and the Board of Education's position on legislative matters.

Instructional Data

Budget Accountability:

Jason Dykstra, Executive Director

The mission of the Instructional Data Division is to collect, analyze, and apply instructional data with integrity. The Division supports the AACPS' goals through the administration and evaluation of school system data, measuring progress as outlined by the Superintendent, and publicly reporting school performance annually.

FY19 Budget Outcomes:

• To support all school system entities with the collection, analysis, and application of instructional data.

• To provide support and training to all appropriate AACPS staff in the secure and efficient administration of local, state, and federally mandated assessments.

• To ensure the fidelity of student performance data reports to the Superintendent, Board of Education, Instructional staff, and school-based employees.

• To provide training for data-driven instructional decision-making.

• To assist in the development and/or acquisition of data systems designed to consolidate, display, and summarize data as a source for student, school and district performance as well as Teacher/Principal evaluation.

• To support our 6,000+ teachers and 280+ administrators in the data analyses and data capture for our Teacher/Principal evaluation system.

• To implement and monitor student and school progress with College and Career Readiness (CCR) as required by the state.

Financial Operations

Budget Accountability: Matthew Stanski, Director

The Division of Financial Operations consists of the offices of Budget, Finance, Minority & Small Business Enterprise, Purchasing, Single Textbook Adoption, and Third Party Billing. These offices are responsible for the overall management of the school district's fiscal resources including budgeting and accounting of funds for all government appropriations, grants, enterprise funds, and internal service funds.

FY19 Budget Outcomes:

• Manage the fiscal and enterprise resources of the school district in a way that increases the capacity of the school system to achieve its strategic goal – to ensure that every student meets or exceeds standards as achievement gaps are eliminated.

• Coordinate the activities of the Offices of Budget, Finance, Minority & Small Business Enterprises, Purchasing, Single Textbook Adoption, and Third Party Billing, so as to maximize the use of the fiscal resources of Anne Arundel County Public Schools.

• Establish processes, procedures, and benchmarks to measure the efficiency and effectiveness of these organizational functions.

Budget

Budget Accountability: Melissa Comella, Lead Analyst

The Budget Office supports the financial and staff planning and management efforts of the school system. This office manages the entire budget development process and ensures that funds are targeted to meet the goals, objectives, and established priorities of the school system. This office is also responsible for monitoring revenues and expenditures to ensure that the school system operates within its available funding and is in compliance with state law regarding budget categories. This office acts as the lead liaison to all Federal, State and local fiscal authorities.

FY19 Budget Outcomes:

- Assist budget managers with funds management so as to efficiently utilize all existing resources.
- Maintain financial reporting information in departmental/organizational format as well as state budget categories.
- Maintain the position control system and monitor position allocations.
- Publish and maintain summary and department level organization charts.
- Work closely with school-based personnel to support their schools financial needs.
- Participate on Board negotiating teams and advise management of fiscal impacts of decisions.
- Analyze grant proposals for alignment with the school systems goals and objectives.
- · Expand the online, web-based student activity and fee payment process.
- Continue to explore avenues to increase efficiencies in system-wide budget practices.
- Enhance and increase access to budget related information available to the public.

Finance

Budget Accountability: Krishna K. Bappanad, Supervisor

The purpose and focus of the Finance Office is to support the instructional and business programs of the school system. The Finance Office enables the instructional and administrative staff to concentrate their energy and vision on their functional areas. This is accomplished by handling payments to vendors, maintaining financial records, meeting financial reporting requirements, managing idle funds, facilitating grants reporting, coordinating audits from outside agencies, strengthening and maintaining internal controls, managing safety and risk issues, and other functions.

FY19 Budget Outcomes:

• Pay all vendor invoices, employee reimbursements, and other payment requests in an accurate and timely manner.

• Manage, invest and protect idle funds.

• Maintain the school system's financial records and prepare timely financial reports, including State and Federal grants reporting.

• Ensure that the Board's assets are adequately covered by insurance or self-insurance to minimize the interruption of operations in the event of loss.

• Establish a safe working and learning environment by formulating strategies to reduce accident trends and accident severity.

| Professional and Support Salaries: | Salary costs for permanent positions assigned to the area. |
|------------------------------------|---|
| Other Salaries & Wages: | Minimal overtime costs related to annual special data collection project. |
| Contracted Services: | Payment to independent outside auditors to conduct the legally mandated independent audits of the annual financial statements and the Single Audit of federal grant expenditures. |
| Supplies & Materials: | Office and operational supplies (checks, paper, forms) and the maintenance and upgrade costs related to financial systems software. Includes supplies for safety measures. |
| Other Costs: | Insurances for various system-wide needs. Also includes subscriptions and dues related to professional affiliations. |
| Equipment: | None requested. |

Minority & Small Business Enterprise

Budget Accountability:

Esther A. Leslie Avery, Specialist

The goal of the Minority & Small Business Enterprise Office (MSBE) is to conduct a minority and small business enterprise program for the delivery of services and products. The Board of Education has adopted a policy in an effort that the goal is accomplished and to put our commitment of creating competitive opportunities for minority and small business enterprises into action.

FY19 Budget Outcomes:

- Increase outreach efforts by reaching out to other school districts who exhibit best practices regarding MSBE participation.
- Emphasis will be placed to expand outreach efforts to minority and small businesses in areas where under-representation occurs.
- Conduct outreach sessions with MSBE businesses to ensure continuous communication and updates on projects being provided by AACPS.
- Continue developing relationships with the Asian and Hispanic community.
- Continue refining Compliance Monitoring Program to ensure prime contractors of AACPS projects are complying with their contracts, specifically the MBE Participation Schedule-Attachment B, which lists the MBE subcontractors.

Purchasing

Budget Accountability: Mary Jo Childs, Esq. Supervisor

The Purchasing Office provides centralized operations directed at acquiring quality products and services at the best price and within the delivery time required. All operations and services are provided with full regard for Board of Education policies and applicable State of Maryland regulations, to assure compliance with these policies and regulations, and to communicate any resulting procedures in a clear manner. Academic achievement is supported through quality procurement services to ensure that the products and services needed for the classroom and facilities are received as ordered, when ordered, and at the best possible price. Professional, ethical services ensure compliance with the law, policy, avoidance of agency risk, and instills public trust.

FY19 Budget Outcomes:

- Ensure staff is properly trained to perform at high professional and technical levels everyday.
- Maximize the economies of scale available in Anne Arundel County Public Schools.
- Handle only those transactions that allow for providing a value-added service.
- Improve transparency in reporting of vendor purchases, bids and other items.
- Continue to provide technical expertise for school purchasing using Student Activity Funds.
- Cultivate an open competitive environment that encourages competition and participation from small and minority contractors.
- Participate in regional and national cooperative activities that support the development of best practices and optimal pricing for materials and services needed in Anne Arundel County Public Schools.

• Obtain feedback from district employees, supplier community, and benchmarking to build a path for continuous improvement in the delivery of the purchasing program.

Single Textbook Adoption

Budget Accountability: Sara Ewing,

Manager

The Single Textbook Adoption Office provides instructional resources to all schools by evaluating and monitoring their needs and procuring resources for each school through the Single Textbook Adoption (STA) process and/or the MOI process. The goal of the STA program is to ensure that resources are allocated in an equitable manner among all schools to support consistent instruction and academic achievement as specified in the AACPS Strategic Plan, while remaining within fiscal constraints. Additionally, the STA Office provides support to content offices for materials of instruction that support AACPS curriculum but are not otherwise adopted.

FY19 Budget Outcomes:

- Support curriculum and instruction with new instructional material adoptions needed to keep pace with changes in national and state standards, assessments, and changes in AACPS curriculum.
- Ensure the evaluation for the selection of instructional materials under the STA program are fair and unbiased.
- Ensure schools are provided instructional materials in a timely and accurate manner.
- Support curriculum offices with selection, management, and procurement of materials of instruction not otherwise adopted.

Transportation

Budget Accountability:

Les Douglas, Supervisor

The mission of the Transportation Office is to organize and implement pedestrian and school vehicle transport services for students attending public schools, with a primary focus upon the operation of school bus services necessary to implement and support the instructional mission. Approximately 61,000 students were transported daily during the 2017-2018 school year.

FY19 Budget Outcomes:

- Continue to place the primary focus upon safe, appropriate, and efficient student transportation services with the implementation of the new routing software.
- Continue to explore methods to maximize scarce and limited financial resources without compromising the safety, service, and instructional support mission.

• Continue implementation of competitive-based procurement of contract services for school bus operations and focus on initiatives designed to soften the impact of bus personnel attrition, mainly the qualified bus operator shortage.

• Continue to extend transportation services to support special programmatic concerns, such as: STEM (Science, Technology, Engineering & Math), PVA (Performing & Visual Arts), IB (International Baccalaureate), ELL (English Language Learners), BMAH (BioMedical Allied Health) and other magnet initiatives.

• Enhance service levels of the Transportation Office to support a changing population and expanding programmatic and site needs of the special education program by providing county-wide transportation services.

• Continue implementation of new contractor pay software to replace the currently unsupported software.

• Implement the school start time plan approved for the beginning of the 2017-2018 school year.

Planning, Design & Construction

Budget Accountability:

Kyle Ruef, P.E. Supervisor

The Department of Planning, Design & Construction is a functional unit within the Facilities Division. It is the responsibility of this department to plan, design, construct, renovate, modernize, or replace building and systemic-related elements of public school facilities in an effective and efficient manner to further the educational goals of AACPS.

FY19 Budget Outcomes:

- Apply the programs, methods, and accountability systems necessary to ensure that capital and operating funding resources are applied in an effective and efficient manner.
- Ensure that all new or renovated school facilities meet the applicable county building and fire codes as well as all functional standards approved by the Superintendent and the Board of Education.

• Construct all Board-owned renovated or new facilities to the standard necessary to protect the taxpayers' investments.

• Support the school system's goals, current and proposed educational programs, and facilitate compliance with applicable local, state, and federal laws, regulations, and codes through the educational specifications and design standards.

• Design all new and modernized school facilities and building system upgrades to meet the educational specifications, the established budget, and all local state, and federal laws, regulations, and codes and to ensure completion in a timely and cost effective manner.

• Utilize all existing and proposed instruction space in an effective and efficient manner and to meet all AACPS standards for comfort.

• Maintain student projection and facility utilization data to allow for efficient and balanced school assignments.

Maintenance

Budget Accountability:

Michael McCafferty, Supervisor

The mission of the Department of Maintenance is to ensure that all public school facilities are maintained at a level that promotes and reinforces the educational goals of AACPS. The office is charged with the responsibility to plan, organize, and execute a program for maintenance and repair that supports the essential needs of all students and staff.

FY19 Budget Outcomes:

- Ensure that schools are maintained as well as resources will allow.
- Perform repairs to critical facilities and systems in a timely and efficient manner.
- Provide all AACPS employees with a level of service that is consistent with the overall goals and objectives of the Superintendent and the Board of Education.

• Manage the Asbestos Hazard Emergency Response Act (AHERA) program to ensure that any potential safety and health risks are properly identified and corrected.

• Develop programs, methods, and systems to ensure that maintenance resources are applied in the most efficient and effective manner.

Operations

Budget Accountability:

John Ander, Supervisor

The function of the Department of Operations and Logistics Support is to operate all public school facilities in a manner conducive to the educational process by ensuring the health, safety, comfort, and welfare of the occupants.

FY19 Budget Outcomes:

• Train and maintain a 700-plus custodial workforce.

• Incorporate energy and water conservation, recycling, green cleaning product selection and techniques into the school based custodian's daily routine as a sustainable action.

• Develop specific programs and techniques to ensure a healthy indoor environment for all facilities.

• Ensure compliance with all federal, state, and local laws and governing agencies, including Occupational Safety and Health Administration, Maryland Occupational Safety and Health, the Environmental Protection Agency, and all applicable county life safety codes.

• Assist school-based Operations personnel in the design of innovative practices and schedules that will enhance the cleanliness of our schools.

• Provide all custodial and maintenance supplies in an efficient manner to all schools.

Technology

Budget Accountability:

Gregory Barlow, Chief Information Officer

The Division of Technology strives to provide excellent customer service when delivering information, technology, support and related resources to the students, teachers, staff and the community of Anne Arundel County Public Schools in the most efficient, effective, and equitable manner possible.

FY19 Budget Outcomes:

• Work with all facets of the AACPS Instructional and Business Communities to ensure that all Technology solutions developed to satisfy needs are properly designed, constructed, tested, implemented and supported.

• Continue to expand the REFRESH program for computer equipment where equipment (desktop & laptop computers, monitors, servers) are leased through a multi-year agreement. At the end of the lease term, the existing equipment is replaced with new equipment at little or no additional cost.

• Increase numbers of computers in the REFRESH program and additional school based technology needs.

• Add data threat protections on the AACPS network to include: Internet Service Providers – Distributed Denial of Service attacks (DDoS), Email System – Advanced Threat Protection (ATP), network - Advanced Malware Protection (AMP) and Intrusion Prevention System (IPS). These preventative measures will help alleviate unwanted malicious electronic attacks that could expose AACPS to serious data breaches, including HR, Payroll and Student Information Systems.

Grant Programs

Budget Accountability: Multiple Grant Managers

Grant programs consist of Federal, State, and local funds that are restricted for a specific purpose. These funds are heavily regulated, and require specific reporting procedures which must be followed depending upon each grant's criteria. See the Estimated Revenue Description – Grant Fund in the Revenue section of this document for further information.

FY19 Budget Outcomes:

• Grant programs provide for the operation of a variety of services and enhancements that may cross several budget categories and several instructional programs. AACPS prides itself in finding additional revenue sources via the grant application process to enhance the instructional opportunities within the county. Many grants received by AACPS also support other Anne Arundel County agencies, private schools and other school systems within Maryland. Anne Arundel County Public Schools receives numerous grants throughout the fiscal year, as opportunities present themselves. A description of many of the consistently available or significant grant programs are listed in this section.

Internal Service Fund for Health Care

Jessica Cuches, Esq., Executive Director & Matthew Stanski, Director

It is the purpose of the Internal Service Fund for Health Care to provide Board of Education employees, retirees, and their qualifying dependents with competitive health care benefits programs and services. Eligible claims are paid from this fund as AACPS' healthcare is fully self-insured. Our third-party administrator processes claims and invoices for actual claims paid on our behalf as well as an administrative fee. The Internal Service Fund for Health Care is maintained at a level sufficient to pay claims and administration fees, allowing for fluctuations and based on prior claims experience. The Fund Balance is obligated for the purpose of the fund.

FY19 Budget Outcomes:

- Provide employees and retirees competitive benefits programs and services.
- · Identify, evaluate and recommend opportunities for cost savings.
- Adhere to the terms and conditions of all BOE negotiated agreements, policies, and regulations regarding employee benefits.
- Adhere to regulations and laws governing employee benefits.

• Per State Board Opinion #14-16 passed on April 22, 2014, all contributions to the Internal Service Fund for Health Care must have budgetary approval. The fiscal year 2019 budget reflects this accounting change.

Food & Nutrition Services

Budget Accountability:

Jodi Risse, Supervisor

It is the mission of Food & Nutrition Services to support the academic achievements of students, promote the well-being of students, and help ensure their satisfactory progress in educational activities. Food & Nutrition Services continues to provide over nine million nutritious, affordable meals annually.

FY19 Budget Outcomes:

- Provide nutritious, high quality meals at an affordable price in an attractive environment.
- Promote the benefits of school meals to the community at large.
- Conduct all operations within established government regulations.
- Educate about the benefits of healthy lifestyles and encourage increased consumption of fruits vegetables and whole grains while emphasizing the importance of physical activity.
- Conduct nutrition education for students, parents and the community in conjunction with internal and external partnerships.
- Foster role modeling of healthy lifestyle behaviors.

• Maintain a self-supporting operation. All revenue derived solely from student sales, federal and state reimbursements.

• Cultivate communities of wellness by empowering all stakeholders to make healthy choices both in school and at home.

<u>Annual Measurable Objectives (AMO)</u>: Annual measurable objectives are determined separately for reading, mathematics, and attendance at each grade level using baseline data at the state level. Each measure (reading, mathematics, and attendance) has a single value for each grade that is the same for all schools. However, the annual measurable objectives for each school are computed by averaging the grade specific annual measurable objectives across the grades assessed in that school. AMO's were established in Maryland to meet the requirements of the federal No Child Left Behind Act of 2001.

<u>Appropriation</u>: An authorization made by the County Council which permits the Board of Education to incur obligations and to make expenditures of resources.

<u>Audit</u>: A comprehensive investigation of the manner in which the government's resources were actually utilized. A financial audit is a review of the accounting system and financial information to determine how government funds were spent and whether expenditures were in compliance with the legislative body's appropriations.

<u>Bond</u>: A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large capital projects such as buildings, streets, and bridges.

<u>Budget</u>: A financial plan for a specified period of time (fiscal year) that matches all planned revenues and expenditures with various municipal services.

<u>Budget Adjustment</u>: A legal procedure utilized by the Board of Education and County Council to revise a budget appropriation. The County Council Charter requires Council approval through the adoption of a supplemental appropriation ordinance (which specifies both the source of revenue and the appropriate expenditure account) for any inter-departmental or inter-fund adjustments. Board of Education staff has the prerogative to adjust expenditures within a departmental budget.

<u>Budget Calendar</u>: The Schedule of key dates or milestones which the Board of Education and County officials follow in the preparation, adoption, and administration of a budget.

<u>Budget Document</u>: The instrument used by the budget-making authority to present a comprehensive financial program to the County Council.

<u>Budget Message</u>: The opening section of the budget, which provides the County Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Board of Education.

<u>Budgetary Control</u>: The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

<u>Budgeted Funds</u>: Funds that are planned for certain uses but have not been formally or legally appropriated by the legislative body. The budget document that is submitted for Council approval is composed of budgeted funds.

<u>Capital Budget</u>: A plan of proposed capital expenditures and the means of financing them. The capital budget is usually enacted as part of the complete annual budget, which includes both operating and capital outlays. The capital budget normally is based on a capital improvement program (CIP).

<u>Capital Improvement Program (CIP)</u>: a plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount to be expended in each year, and the method of financing those expenditures.

<u>Capital Projects</u>: Projects, which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

<u>Cash Management</u>: The management of cash necessary to pay for government services while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships, and investing funds in order to achieve the highest interest and return available for temporary cash balances.

<u>Contractual Services</u>: Services rendered to Board of Education departments and agencies by private firms, individuals, or other government agencies. Examples include maintenance agreements, repairs, and professional services.

<u>Debt Services</u>: The Board of Education's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

<u>Department</u>: A major administrative division of the Board of Education, which indicates overall management responsibility for an operation or a group of related operations within a functional area.

Disbursement: Payment for goods and services in cash or by check.

<u>Elevating All Students (EAS)</u>: Systemic initiative to minimize the difference between the performance of student groups and the AACPS identified standards.

<u>Encumbrance</u>: The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

<u>Estimated Revenue</u>: The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by the County Council.

<u>Expenditure</u>: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. Note: An encumbrance is not an expenditure. An encumbrance reserves funds to be expended.

<u>Fiscal Year</u>: A 12-month period designated as the operating year for an entity. The fiscal year for the Board of Education is July 1 – June 30.

<u>Every Student Succeeds Act (ESSA)</u>: US law passed in December 2015 that governs the United States K– 12 public education policy. The law replaced its predecessor, the No Child Left Behind Act (NCLB), and modified but did not eliminate provisions relating to the periodic standardized tests given to students. Like the No Child Left Behind Act, ESSA is a reauthorization of the 1965 Elementary and Secondary Education Act, which established the federal government's expanded role in public education. The Every Student Succeeds Act passed both chambers of Congress with bipartisan support.

<u>FTE</u>: Full-Time Equivalent is a method of equating less than full time employees in permanent positions to a full time basis.

<u>Fund</u>: An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions. Eight commonly used funds in public accounting are general fund, special revenue funds, debt service funds, capital project funds, enterprise funds, trust and agency funds, internal service funds, and special assessment funds.

<u>Grant</u>: A contribution by a government or other organization to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed the grantee.

<u>High School Assessment (HSA)</u>: Tests taken in high school in four core subjects: English, U.S. Government, Algebra I, and Science. Students are required to earn a satisfactory score on these assessments in order to receive a Maryland High School diploma.

Long Term Debt: Debt with a maturity of more than one year after the date of issuance.

<u>Maryland College and Career-Ready Standards</u>: Schools across the State in 2013-2014 have implemented Maryland's College and Career-Ready Standards. These standards incorporate the Common Core State Standards. Maryland was one of the first states to adopt the standards in reading/English language arts and mathematics.

<u>Maryland Common Core Curriculum Framework</u>: Maryland's College and Career-Ready Standards form the foundation for Maryland's new State curriculum framework. Hundreds of classroom educators, instructional leaders, administrators, and higher education representatives continue to assist State officials in developing the new Maryland College and Career-Ready Standards Framework to support the implementation of these new standards.

<u>Modified Accrual Accounting</u>: A basis of accounting in which expenditures are accrued but revenues are accounted for on a cash basis. This accounting technique is a combination of cash and accrual accounting since expenditures are immediately incurred as a liability while revenues are not recorded until they are actually received or are "measurable" and "available for expenditure." Since this type of accounting basis is a conservative financial approach, it is recommended as the standard for most governmental funds.

<u>Object of Expenditure</u>: Expenditure classifications based upon the types or categories of goods and services purchased. Typical objects of expenditure include:

-salaries and wages -contracted services -supplies and materials -equipment

<u>Operating Budget</u>: The portion of the budget that pertains to daily operations that provides basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, material, travel, and fuel.

<u>Operating Transfer</u>: Routine and/or recurring transfers of assets between programs and/or objects of expenditures.

<u>Operating Fund</u>: a fund restricted to a fiscal budget year.

<u>Partnership for Assessment of Readiness for College and Career Assessment (PARCC)</u>: Students in grades 3-8 and high school will take the PARCC assessments in English Language Arts/Literacy and Mathematics. PARCC helps teachers and parents determine if younger students are acquiring skills and knowledge needed to advance to the next grade level, while older students can see if they are on track to graduate, ready for college and careers.

<u>Program Budget</u>: A budget that focuses upon the goals and objectives of a department.

<u>Reserve</u>: An account used to set aside funds to be used for unanticipated events or activities.

<u>Revenue</u>: Funds that the Board of Education receives as income. It includes such items as federal and state grants, current expense funds from the state, and county funds.

<u>Risk Management</u>: Assessing, minimizing, and preventing; accidental loss, unsafe conditions, and behaviors; within the school system, through the use of insurance and safety measures.

Source of Revenue: Revenues are classified according to their source or point of origin.
