### <sup>1</sup>A note about English 12

Enrollment in a dual credit course will only be approved by the *Director of Curriculum and Instruction* for the AACPS high school English graduation requirement if a student has extenuating circumstances, such as:

- Approved plan to graduate from high school early
- Documented medical issue requiring schedule adjustment(s)
- Other extreme hardship (evaluated on a case-by-case basis)

Twelfth-grade English courses include unique and important capstone experiences for our seniors through synthesis of their high school English studies and real-world applications. Therefore, it is important that seniors enroll in English 12 or AP English (Lit/Lang) at their home school.

Dual Credit courses are offered as traditional face to face, hybrid or online.
